MEDIA RELEASE

COLES SUPERMARKET SET TO OPEN IN TAMWORTH NORTH

Coles Tamworth North to provide quality and value for local shoppers

The new Coles supermarket will officially open its doors in Tamworth North on 30th of June at 8:00am, providing residents with greater choice and value for money.

The store, located in the new North Gate Shopping Plaza, will boast an extensive high-quality fresh produce section, a bakery, delicatessen and a floral range - treating customers to a whole new fuss-free and enjoyable shopping experience.

"We're committed to providing local residents with fresh and high quality products at the lowest prices that Coles supermarkets has to offer," Coles Tamworth North store manager, Noelene Smith said.

"We also aim to offer the best customer service, and become a meaningful member of the community wherever possible," she added.

Taking part in the opening of the new store will be a new mobile cancer information service from The Cancer Council, which aims to bring essential cancer information services to rural and regional communities.

Supported by Coles, the outreach service will give community members a chance to ask questions about any aspect of cancer, and find out more about the work of the Cancer Council, including prevention campaigns, advocacy programs and research.

To celebrate the opening of the Tamworth North supermarket, Coles is offering Tamworth's groups, clubs, schools and other community organisations grants of $500. Six $500 grants are available, with one given away each month for the first six months.

Coles Tamworth North will open daily from 6:00am until 10:00pm and on Sundays and is located at the corner of Marius and Peel Streets.
