MEDIA RELEASE

COLES MOUNT ANNAN GRAND OPENING

Coles comes to Mount Annan with a new shopping experience

May 2009

Coles Supermarkets will officially open the doors of its new Mount Annan store on Saturday 2 May at 9am.

The new Coles store is designed to offer residents the best supermarket shopping experience in Mt Annan. Shoppers can look forward to a convenient and affordable shop in a market atmosphere, which includes a bakery, new style delicatessen, instore butchers, a specialty cheese case and an extensive fresh produce selection on ice.

Coles Mount Annan provides over 19,000 product lines and encompasses 3,200 square metres with a spacious, open store layout for easy access.

Store manager Phil Bassam is excited to see the store completed.

"The store looks fantastic, and I think shoppers will love having value for money with a broad selection of products including fresh fruit and vegetables on ice."

"At Coles we are committed to the local community and are thrilled to be opening here in Mt Annan. In this spirit, we are pleased to offer local schools the chance to participate in an art initiative."

Coles Mount Annan has invited local schools to contribute to the displays outside the store by creating murals for exhibit. All schools involved will win a share in $3,750. The murals will be on display from Monday 18 May for the public to view and vote for their favourite.

The new Coles store is located at 221A Waterworth Drive, and will be open from 7.00am to 10.00pm Monday to Saturday and 8.00am to 10.00pm on Sundays.
