Purpose of this Financial Services Guide

The purpose of this FSG is to help you make an informed decision about the services we offer and can provide to you. This FSG contains information about:

• the financial services we provide;
• how we and others are remunerated in relation to those services;
• how complaints are dealt with;
• how we respect your privacy; and
• how to contact us.

Some other documents you may receive

If you decide to take out a Coles Pet Insurance product you will also receive a Product Disclosure Statement which contains important information about the product to help you make an informed decision.

Who we are

We promote and distribute Pet Insurance products. Coles Pet Insurance products are issued by Guild. We are authorised representatives of Guild in respect of Coles Pet Insurance products. Guild has authorised us to distribute this FSG.

What services we provide

We are authorised by Guild to provide general advice about Coles Pet Insurance products and to arrange for these insurance products to be issued to you.

How we are paid

When a Coles Pet Insurance product is issued to you, the insurer charges you a premium for that product based on your risk profile and circumstances. The total amount you will pay is the premium plus any amount payable in relation to any Stamp Duty, GST and other government charges, taxes, fees and levies.

If you take out a Coles Pet Insurance product, Guild will pay Coles a commission of 20% of the premium (exclusive of government charges). The commission will also be paid on any variations to your policy and on renewal.

The above commission paid to Coles are included as part of your premium. If a premium is not payable for a Coles Pet Insurance product under the terms and conditions on which it’s offered to you, Coles will not receive a commission if you decide to take out the product.

Coles may also receive a proportion of the profit earned by Guild if Guild makes an underwriting profit in accordance with underwriting targets. Coles will pay flybuys for the flybuys points you earn (which can vary from time to time) when you take out a Pet Insurance product.

Compensation Arrangements

Under Chapter 7 of the Corporations Act 2001 (Cth) a licensee needs to have arrangements for compensating retail clients for loss or damage they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of the Act, unless an exemption applies.

Guild is exempt from this requirement because it is an insurance company that is supervised by the Australian Prudential Regulation Authority (APRA) and is subject to the prudential requirements under insurance legislation regulated by APRA.
