Claim Payment Examples (page 17)

Example: Your car and trailer are a total loss

The example under this heading is deleted and replaced with the following wording:

Your car is insured for market value. Your car and a trailer you own which is attached to your car are damaged in a collision which is covered by the policy. The claim is subject to the standard excess of $550 and the inexperienced driver excess of $1,200. We determine the market value of your car is $25,000 and the market value of your trailer is $1,500. The salvage value of your car is $4,000, its unexpired registration is worth $500 and the trailer has no salvage value. You have paid us the full amount of the premium and you are not registered for GST.

**How much we will pay:** The amount payable by us for the car is $22,750.

**Explanation:** The market value of the car is $25,000 and the excesses total $1,750, and the unexpired portion of the registration is $500 so the net amount payable is $22,750.

We retain the salvage and the unexpired portion of the registration. This comprises part of the value of the car and we have paid you for that market value.

We will pay you $1,000 for the trailer. The policy has a limit of $1,000 for trailers and so no payment can be made for the trailer beyond this sum. If only the trailer had been damaged nothing would have been payable due to the operation of the policy excesses.

No Claim Discount (pages 12, 13, 14, 19, 32, 41, 42, 43, 44, 48, 54)

Your PDS is amended by the deletion of all references to No Claim Discounts (NCD). This includes deleting the table on page 42.
General Exclusions (page 34)
The exclusion for “Depreciation, wear and tear” in the General Exclusions section on page 34 is amended to:

Depreciation
Depreciation or loss of your vehicle’s value - for example, if your vehicle is worth less after an incident.

Wear and Tear
We do not cover wear and tear, rust or corrosion of your car.
A new General Exclusion under this heading is inserted with the wording:

Incorrect Fuel Type
Loss or damage to the vehicle from deliberately, or accidentally, putting incorrect fuel into the vehicle, by you, or someone who you allowed to use the vehicle.

Things we need to tell you (page 47)
A new paragraph under the Your Premium heading is inserted with the following wording:

Premium Write Off
If we owe you a premium of less than $5, we will not refund this premium. If we need to charge you an additional premium less than $5, then we’ll waive it.

Cancelling (page 47)
The sentence immediately under the heading Cancelling is deleted.

Return Premium (page 48)
The wording under this heading is deleted and replaced with the following wording:
If your policy is cancelled and you have paid an annual premium, we will return any premium you have paid for the period after the cancellation date, less any non-refundable government taxes, charges and the cancellation fee of $25 inclusive of GST.
If the refund is less than the cancellation fee, a refund will not be provided however we will not charge you for the additional amount.
If your policy is cancelled and you are paying your premium in monthly instalments, there will be no return of any part of an instalment you have paid. However, you will not have to pay any instalments which would have become due after the date of cancellation.

A new section is added under Cancelling heading (page 47):

Cancellation fee
Coles Insurance incurs costs in establishing and maintaining your Policy. If you cancel your policy, we will charge you a cancellation fee of $25 inclusive of GST. The cancellation fee will not apply when:
• You are changing the vehicle insured to a different vehicle.
• When you cancel your policy in the cooling off period.

If your car is a total loss: (pages 53-54)
The fourth bullet point under this heading is deleted and replaced with the following wording:
• We will retain your damaged car and keep the proceeds of any salvage sale. If we allow you to keep your damaged car and keep the proceeds of any salvage sale, we will determine the:
  o the salvage value of your car; and
  o unexpired portion of the registration and Compulsory Third Party (CTP) Insurance.

We will deduct each of these amounts from our payment to you.
A new bullet point is inserted under this heading with wording as follows:
• The amount you pay to register your vehicle or for any CTP insurance forms part of your vehicle’s value. If we pay your claim, we will deduct any unused registration costs and CTP insurance premium. To get a refund, you may need to contact your relevant motor registration authority or CTP insurer if your vehicle is registered in NSW. In NSW, CTP insurance is also known as a Green Slip.

What Our Words Mean (page 59)
The definition of the words 'Market value' has been changed. The reference on page 59 of the PDS is deleted and replaced with the following wording:

Market value means the amount we assess your car to be worth in your local area immediately before it was damaged or stolen. Market value includes costs for registration and Compulsory Third Party Insurance, GST and reasonable dealer profit. It excludes warranties, future stamp duty, transfer fees and restoration. We consider your car’s make, model, age, condition and kilometres travelled in assessing its market value.
If your car has been damaged: (pages 52 - 53)
Under this section on page 53, the third bullet point is replaced by the following wording:
If we decide that the cost of repairs to your car plus the fair salvage value exceeds the fair market value of the car at the time of loss, we will declare it a total loss.

What Our Words Mean (page 60)
The definition of the words “Total Loss” has been changed. The reference on page 60 is deleted and replaced with the following wording:
Total loss means where the cost to repair your car plus the fair salvage value exceeds the fair market value of the car at the time of the loss. If we determine this, we will declare your car a total loss and pay you the sum insured.

Complaints (pages 5 & 6)
The last paragraph under this section and the Financial Ombudsman Service Australia contact details are to be replaced with the following wording:
If an issue has not been resolved to your satisfaction, you can lodge a complaint with the Australian Financial Complaints Authority, or AFCA. AFCA provides fair and independent financial services complaint resolution that is free to consumers.
Website: www.afca.org.au
Email: info@afca.org.au
Telephone: 1800 931 678 (free call)
In writing to: Australian Financial Complaints Authority, GPO Box 3, Melbourne VIC 3001

AFCA is independent and administers the external segment of the general insurance industry’s alternative dispute resolution scheme, approved by the Australian Securities and Investments Commission.
Time limits may apply to lodge a complaint with AFCA, as such you should act promptly or otherwise consult the AFCA website to find out if or when the time limit relevant to your circumstances expires.

What is not covered
- Towing and storage costs (page 31)
The first paragraph under this heading is deleted and replaced by the following wording:
If we treat your car as a total loss, we will not return your car to you.

Cooling off

Even after you decide to buy this insurance, you have 30 days from the date cover commences to change your mind and let us know that you want to cancel the policy. We will refund the premium you have paid less any government charges or taxes we are unable to recover, provided you have not made a claim under the policy.

Compensation Arrangements

The Corporations Act 2001 (Cth) requires, licenses to have arrangements for compensating retail clients for losses they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of this Act, unless an exemption applies. We are exempt from this requirement because we are an insurer supervised by the Australian Prudential Regulation Authority and subject to the prudential requirements of the Insurance Act 1973 (Cth).
Our National Partner Repair Network

We want to make your car repair process easy, so we have established a National Partner Repair Network. These repairers must meet our high selection standards of repair quality and service.

Because you will be using our partner repairers you do not need to shop around for quotes and we will guarantee the quality, workmanship and material used in the repair.

Repairing your car - we choose the repairer

If you make a claim and we agree to repair your car, we will choose a repairer who is part of our National Partner Repair Network and organise for them to complete the repairs. The most we will pay is the cost of repairs as determined by our assessor, or quoted by our repairer.

Because the repairs will be authorised and completed by our partner repairers, we will guarantee the workmanship and materials of these repairs for the life of your car.

We may sublet part of the repairs to another repairer.

Our Parts policy

If we agree to repair your car then we will use parts suitable for your car's age and condition, as follows:

- in most circumstances new Original Equipment Manufacturer (OEM) approved parts will be used if your car is under 3 years old,
- new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
  - your car is over 3 years old; and
  - it does not affect the safety or the structural integrity of your car; and
  - it complies with the applicable Australian Design Rules and the car manufacturer’s specifications.
- for windscreens, we use parts which are compliant with Australian Design Rules.

Motor Vehicle Insurance and Repair Industry Code of Conduct

We adhere to the Motor Vehicle Insurance and Repair Industry Code of Conduct.

This code is intended to promote transparent, informed, effective and co-operative relationships between smash repairers and insurance companies based on mutual respect and open communications.

Financial Claims Scheme

This policy may be a ‘protected policy’ under the Federal Government’s Financial Claims Scheme (FCS) and only applies in the event of an insurer becoming insolvent and the Federal Treasurer declaring that the FCS will apply to that insurer.

Payment of a claim under the FCS is subject to the FCS’s eligibility criteria being met.

Information about the FCS can be obtained from http://www.fcs.gov.au.

Terrorism Insurance Act 2003 (Cth)

This policy excludes cover for losses as a result of an act of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then you may be afforded protection within the time limits of indemnity of this policy by virtue of the Terrorism Insurance Act 2003 (Cth). The operation of this Act may also service to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.
This policy provides cover for three different types of car insurance in Australia. These are explained on pages 19-23. This approach gives you flexibility as you can arrange your insurance to meet your particular needs.

Before you choose, you need to understand the significant benefits of each of the cover types, when benefits will be provided to you, and how. To do this, please read this document to understand:

• the difference between the three types of cover (pages 11-13),
• the benefits of each type of cover (pages 24-33),
• what is covered and what is not (pages 19 and 34-39),
• the optional benefits that you can choose from (pages 32-33), and
• what will happen in the event of a claim (page 49).

If you buy this insurance, there are also a number of things which:

• you need to tell us (page 44),
• you need to do (page 44), and
• you should know (page 46).

It is important for you to know that we may refuse to pay, or may reduce the amount we pay, under a claim if you:

• do not comply with the terms and conditions of this policy,
• do not answer our questions truthfully and accurately, or
• make a fraudulent claim.

There are other things which we need to tell you. These are set out on pages 47-48.

A detailed table of contents is provided on page 3.

Types of cover

The three types of cover you can choose from are:

• Comprehensive cover,
• Third Party Property, Fire and Theft cover, or
• Third Party Property Damage cover.

A summary of these types of cover is set out in the next section. For details on the cover and benefits of each, please refer to pages 19-33.

Cost of this insurance

If you decide to buy this insurance, you will need to pay a premium. This can be paid in advance, for the period of insurance or monthly, in instalments (refer page 47). You may also need to pay an excess if you make a claim.

How we calculate the premium

We rely upon you to give us complete and accurate information about you, your car and its drivers when we calculate the premium. In calculating your premium, we may consider:

- the make, model and series of your car,
- any modifications or additional accessories which may be included,
- where you live,
- where your car is kept overnight,
- how frequently you use your car, and the distance you travel,
- any security device or anti-theft devices fitted to your car,
- the age, gender and driving history of all drivers,
- your insurance and claims history,
- your years of insurance,
- whether you will use your car for private or business purposes (refer page 39),
- any No Claim Discount you may be entitled to (refer page 41),
- any finance arrangement affecting your car, and
- any other relevant factors.

The choices that you make in selecting your options will also affect your premium. These include:

- the type of cover you have chosen (refer pages 19-23),
- your option to insure your car for an agreed value or market value (refer page 39),
- any Optional Benefits that you have chosen (refer pages 32-33),
- the level of excess you have chosen (refer pages 39-41),
- whether you have excluded cover for drivers under the age of 25 (refer page 37), and
- whether you have chosen to pay your premium in instalments (refer page 47).

Minimum premiums may apply and any discount we give you (except for the online discount) will not reduce a premium below the minimum premium.

We also calculate and include compulsory government charges such as GST and Stamp Duty.

We show the sum of the premium and government charges as the premium on your schedule.

Your excess

You may need to pay an excess. An excess is the amount you pay towards the cost of a claim. You may need to pay more than one excess when you make a claim. The excesses that apply to your policy will be shown on your schedule.

The excesses apply to: Comprehensive cover; Third Party Property, Fire and Theft cover; and Third Party Property Damage cover.

If you choose Comprehensive cover you can reduce the amount of your premium by selecting an additional, voluntary excess.

Excesses are explained in more detail on pages 39-41.

Restricted drivers

You can reduce your premium if you choose to restrict cover under your policy to drivers 25 years of age or older. If you choose to do so, this restriction will be shown on your schedule. Your policy will then be subject to the exclusion shown on page 37.
BEFORE WE PROCEED

You must decide

If you choose to buy this insurance cover and we agree to accept the risk, you need to make a decision about the insurance cover that you want. Please read this document in full, to understand the cover – especially the options that you have to choose from and the limitations and exclusions that apply. If there is anything you don’t understand, please contact us.

It is important that you decide whether this insurance is right for you. Any advice which we might provide is general advice only and does not take into account your personal circumstances. You should read the details on policy cover, benefits and options contained in this PDS in full before proceeding further.

Answering our questions

When answering our questions, you must answer for yourself and for any other person who will be insured under this policy. You must tell us about everyone who will drive your car on a regular basis. You must also give us complete and accurate information to allow us to decide whether to insure you and the terms on which we will insure you. We rely on the information you have provided to determine whether to insure you and if so on what terms and premium. If you do not provide us with accurate information, we may be entitled to reduce or deny any claim that you make, or even to cancel your policy.

Claim Payment Examples

The following examples are designed to illustrate how a claim payment might typically be calculated. The examples do not cover all scenarios or all benefits and do not form a part of the policy terms and conditions. They are a guide only. The excesses applicable to your policy may vary from those set out below. You should check your schedule for the precise amount of the excesses and not rely on the amount of the excesses set out in the examples below:

Example: Repairing Your Vehicle
A car that is insured for a sum insured of $50,000 is damaged in an accident covered by the policy. The standard excess is $550 and the Age excess is $1,200. We assess the cost of repair to be $4,000 inclusive of GST. We choose the repairer and you are not registered for GST.

How much we will pay: We pay $2,250 of the repair cost.

Explanation: The repair cost is $4,000 and when the policy excesses totalling $1,750 are applied $2,250 is left comprising our liability. You pay $1,750. (The standard excess is $550 and the age excess is $1,200 totalling $1,750. The excess is the amount of any claim which you must bear.) The total amount paid is $4,000. This comprises our liability of $2,250 and your liability of $1,750.

Example: Your car and trailer are a total loss
Your car is insured for market value. Your car and a trailer you own which is attached to your car are damaged in a collision which is covered by the policy. The claim is subject to the standard excess of $550 and the inexperienced driver excess of $1,200. We determine the market value of your car is $25,000 and the market value of your trailer is $1,500. The salvage value of your car is $4,000, its unexpired registration is worth $500 and the trailer has no salvage value. You have paid us the full amount of the premium and you are not registered for GST.

How much we will pay: The amount payable by us for the car is $23,250.

Explanation: The market value of the car is $25,000 and the excesses total $1,750 so the net amount payable is $23,250. We retain the salvage and the unexpired portion of the registration. (This comprises part of the value of the car and we have paid you for that market value.)

We will pay you $1,000 for the trailer. (The policy has a limit of $1,000 for trailers and so no payment can be made for the trailer beyond this sum. If only the trailer had been damaged nothing would have been payable due to the operation of the policy excesses.)

Example: Your liability to a third-party
Your car may be insured on the basis of Comprehensive Insurance Cover, or Third Party Property Fire and Theft Cover, or Third Party Property Damage Cover. The policy carries a $550 standard excess and a voluntary excess of $1,050. There is an accident for which you are at fault and damage to the other party’s car amounting to $10,000. The other party suffers bodily injury quantified at $20,000.

How much we will pay: For damage to the third party’s car we will pay $8,400 and you will pay $1,600.

Explanation: The damage to the car amounts to $10,000. As your combined policy excesses amount to $1,600 you must pay this amount. We are responsible for the balance of $8,400.

For damage to the third party’s car we will pay $8,400 and you will pay $1,600. (The damage to the car amounts to $10,000. As your combined policy excesses amount to $1,600 you must pay this amount. We are responsible for the balance of $8,400.)

We will not pay anything for the personal injury sustained by the third party. (This policy provides no cover for death or personal injury. The claim for personal injury should be referred to your compulsory third party motor insurer).
Our Agreement with You

If you pay the premium as set out on the schedule, we will insure your car, in accordance with the terms and conditions in this document, for the period of insurance as set out in your schedule.

When you buy this insurance, we give you this combined Product Disclosure Statement and Insurance Policy booklet. This booklet, together with your schedule and the information you provided to us when you bought this insurance, form the contract of insurance between you and us.

You should keep this booklet and your schedule in a safe place because you may need to refer to them from time to time.

Updating our Product Disclosure Statement

We may need to update this PDS from time to time. We will issue you with a new PDS or a supplementary PDS to update the relevant information, except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may provide you with notice of this information in other forms or keep an internal record of such changes (you can get a paper copy free of charge by calling us).

Your Cover

If you choose to buy this insurance cover, and we agree to accept the risk, this policy provides insurance cover for your car.

Any additional accessories or modifications to the vehicle will not be covered unless you have told us about them and we have agreed to cover them. If we do so agree, this will be shown on your schedule.

Your schedule will indicate whether you have chosen Comprehensive cover, Third Party Property, Fire and Theft cover or Third Party Property Damage cover. To understand the difference between the types of cover, please refer to pages 19-23.

Depending on the type of cover you have chosen your schedule will also show:

• any Optional Benefits you have chosen (refer to pages 32-33)
• whether you have insured your car for agreed value or market value (refer to page 39)
• what the sum insured is, if you have chosen to insure your car for an agreed value
• the class of use you have told us of (refer to page 39)
• the details of your car
• your No Claim Discount level (refer to page 41)
• any Voluntary excess level you have chosen, and any other excess(es) which may apply (refer to pages 39-41)
• whether you have chosen to restrict cover to drivers 25 years of age or older
• any other additional terms and conditions which apply to your policy.

The excesses are:

**Standard excess**
The Standard excess applies when we accept a claim from you – unless this is the first time you have claimed for a broken windscreen during the currency of this policy and you have paid an additional premium to protect your excess for the first breakage of a windscreen during the currency of the policy. (Refer to the Optional Benefits on page 32).

**Voluntary excess**
If you choose Comprehensive cover you may choose to pay an additional excess amount. This Voluntary excess will reduce your premium.

The Voluntary excess applies in addition to the Standard excess when we accept a claim from you – unless this is the first claim for a broken windscreen and you have paid an additional premium to protect your excess when you break your first windscreen. (Refer to the Optional Benefits on page 32).

**Age excess**
The Age excess applies when the driver of your car is:
- under 21 years of age, or
- 21 to 24 years of age,
at the time of the collision or loss.

The Age excess is in addition to the other excesses (except the Inexperienced driver excess) when we accept your claim.

**Inexperienced driver excess**
The Inexperienced driver excess applies when the driver of your car is 25 or older and has not held an Australian drivers licence for more than two years at the time of the collision.

This excess does not apply to claims involving theft, malicious damage, a broken windscreen or damage to your car while it is parked.

The Inexperienced driver excess is in addition to the other excesses (except the Age excess) when we accept your claim.

**Unlisted driver excess**
An Unlisted driver excess will apply where a driver under 25 is the driver of your car and is not a listed driver on your policy.

This excess does not apply to claims involving theft, malicious damage, a broken windscreen or damage to your car while it is parked.

The Unlisted driver excess is in addition to the other excesses when we accept your claim.

**Special excess**
We may apply a Special excess, based on the driving record and insurance history of the drivers of your car. We will tell you if we do by showing it on your schedule. The Special excess is in addition to the other excesses when we accept your claim.

**Meaning of driver**
The word ‘driver’ for the purposes of the age excess, inexperienced driver excess, unlisted driver excess and special excess means both the driver of your car and any person being trained to drive who is operating the controls of your car.

This definition prevails over the definition on page 59 for the purpose of the above mentioned excesses.

**No Claim Discount**
We offer a No Claim Discount to drivers with a good insurance record. For each year you do not have an at-fault claim, your No Claim Discount increases by a percentage and keeps increasing until it reaches the Maximum discount level.

A different No Claim Discount may apply to each policy that you hold with us. When you first take out each policy, we calculate your policy’s No Claim Discount level based on the driving experience and claims history of the main driver noted on the policy.

If the policy is in a company name, the driving and claims history of the main driver will be used to determine the policy’s No Claim Discount.

Your current Certificate of Insurance will show any No Claim Discount.
No Claim Discount Levels are:

How your No Claim Discount is calculated

No Claim Discount is calculated on each policy. Each year at renewal, your policy’s No Claim Discount is recalculated. For each claim free year, your No Claim Discount will move up one level, until you achieve our maximum Rating 1 for life.

If we have accepted your claim for loss or damage incurred during the expiring period of insurance, we will not reduce your No Claim Discount on renewal if:

• the claim was not your fault
• you have qualified for a Maximum No Claim Discount for life, with us, or
• you have paid an additional premium to protect your Maximum No Claim Discount.

Optional Maximum No Claim Discount Protection

If you have Rating 1 you are eligible to pay an additional premium to protect your policy’s No Claim Discount level.

If you choose to protect your Maximum No Claim Discount and you submit a claim during the two year Maximum No Claim Discount qualifying period, we will not reduce your No Claim Discount even though you might be at fault.

However, if we accept more than one claim in which you are at fault during any one period of insurance this benefit will not apply.

Maximum No Claim Discount For Life

If you have achieved Rating 1 for 2 years and do not make a non-recoverable claim, you qualify for Maximum No Claim Discount Protection at no extra cost for the life of the policy. This means your Rating 1 for Life will not be affected regardless of how many claims you make.

Making a claim without Maximum No Claim Discount Protection

If we have accepted your claim for loss or damage incurred during the expiring period of insurance, we will not reduce your No Claim Discount on renewal if:

• the collision involved another vehicle and we agree the driver of your car was not at fault, and you can give us the registration details of the other vehicle,
• this is your first claim for a broken windscreen, and you have paid an additional premium to protect your No Claim Discount when you first break your windscreen (refer page 32),
• you have qualified for a Maximum No Claim Discount for life, with us, or
• you have paid an additional premium to Protect your Maximum No Claim Discount. (Refer page 32).

For all other claims you will move down one No Claim Bonus level.

For example:

• if you have Rating 2 No Claim Discount and made one non-recoverable claim, you would move down to Rating 3 No Claim Discount
• if you have Rating 2 No Claim Discount and made two non-recoverable claims, you would move down to Rating 4 No Claim Discount
• if you have Rating 2 No Claim Discount and made one non recoverable claim, and one claim where you were not at fault, you would move down to Rating 3 No Claim Discount.
How claims affect your premium

On renewal, we take your claims history into consideration when we calculate your premium, separate to the structure of the No Claim Discount. When multiple claims are lodged for windscreen, sunroof and window glass damage, this is also taken into consideration.

See the ‘How we calculate the premium’ section on page 14 of the PDS for more information.

Things you should know

Dangerous goods
If you carry any hazardous goods or substances in your car you must comply with all relevant laws, by-laws and statutory regulations. If you do not do these things and it prejudices our interests, we will reduce any benefit under this policy by the amount that represents the extent to which our interest has been prejudiced.

Exclusions
There are a number of General Exclusions which apply to this insurance cover. These are set out on pages 34-39.

Changing your policy
We will advise you immediately in writing of an agreed change to your policy at any time during the period of insurance.

Joint policyholders
If more than one person takes out this insurance, the names of each will be shown on your schedule. Each such person has authority to make changes to this policy, including removing the name of the other, or to cancel the policy.

Interested parties
We only cover your interest in your car unless we specifically agree to cover the interest of another party, such as a financier or any other owners which you have told us about. If we agree to cover the interest of another party, the details will be noted on your schedule and in the absence of such a note there will be no cover for that other party. If a financier is noted on your schedule as an interested party, and we agree to settle your claim on a cash basis, we have the option of paying the financier in full or part settlement and discharge of your claim.

Notices
When we send you any written notice, it will take effect when it is delivered to your last email address you have provided to us to send you notices or your last postal address known to us in accordance with the Insurance Contracts Act 1984 (Cth).

Towing
If your car is being towed for any reason, and you are not employing a specialist towing company, you must ensure that the towing vehicle meets the requirements of the State or Territory registration towing limits and specifications for the trailer and that your car is securely and safely attached to the trailer.

Things we need to tell you

Your premium

How you can pay your premium
You can pay your premium:
• annually, in one amount using cheque, credit card, BPAY or direct debit, or
• in monthly instalments by direct debit or credit card.

If you pay your premium in instalments, the total premium will be higher than if you pay one annual premium.

Monthly direct debit payments
When you provide us with bank or credit card details to debit your instalment, you must ensure that you have the authority to use the nominated account. It is also your responsibility to ensure that sufficient funds are in the nominated account to meet each instalment.

If the instalment collection date falls on a non-business day, we will debit your bank account or credit card on the following business day. If there are insufficient funds, we will resubmit the debit within 15 days unless you request us to do so sooner or advise us of an alternate bank account or credit card to debit.

Unpaid premium
If you have chosen to pay your premium annually, your policy will not operate until you have paid your premium.

If you have chosen to pay your premium in instalments, and any instalment is not paid:
• we will not accept your claim if your instalment is more than 14 days overdue, and
• we may cancel the policy if your instalment is more than one month in arrears.

Cancelling
A cancellation fee may apply unless we advise differently.

If you cancel your policy
You may cancel your policy at any time by contacting us. If you do, cancellation will take effect when we receive your request or from any later date that you tell us.

If we cancel your policy
We may only cancel your policy where we are entitled to do so by law and in particular under the Insurance Contracts Act 1984 (Cth), including if you:
• failed to answer our questions truthfully and accurately,
• made a misrepresentation to us before the policy was issued,
• made a fraudulent claim,
• failed to pay your premium, or
• failed to comply with the terms and conditions of this policy.

If you have chosen to pay your premiums by instalments we may cancel your policy if any instalment which is due and payable remains unpaid for more than one month.

Return premium
If your policy is cancelled and you have paid an annual premium, we will return any premium you have paid for the period after the cancellation date, less any non-refundable government taxes and charges.

If your policy is cancelled and you are paying your premium in monthly instalments, there will be no return of any part of an instalment you have paid. However, you will not have to pay any instalments which would have become due after the date of cancellation.

Renewing
We may automatically renew your cover by sending you a renewal notice at least 14 days before your policy expires. The renewal notice will show the terms and conditions, the period of insurance, any proposed alterations to your policy and the premium payable.

Unless we hear from you, following the renewal notice your payments will continue in accordance with the payment option you selected when you first took out this insurance.

We may require you to pay an additional premium if you notify us of a claim that happened in the period between the time we calculate the renewal premium and the expiring period of insurance. The additional premium we require will be based on your revised claims history and any change in your No Claim Discount. The additional premium will not exceed the amount we would have requested had you notified us of your claim earlier.

GST
All the benefits listed in this policy include GST. Any claim settlements, up to the sum insured, will include GST. However, the amount we are liable to pay will be reduced by any input tax credit you are entitled to. (If you are entitled to an input tax credit, you must tell us the extent of your entitlement).

Having your car stolen or damaged is stressful. Our claims team is there to support you by guiding you through the claims process. If you do the following things they will be able to handle your claim as quickly as possible.

The claims process

What you must do to help us manage your claim

- Tell us if you think you have a claim as soon as possible. This is especially important:
  - so that you are not disadvantaged by not complying with your obligations, and
  - if you want to claim under your Comprehensive cover for the cost of emergency accommodation or costs to complete your journey.
- Tell us everything about the loss or damage so that we can assess your claim. Also tell us about the people involved and anyone you believe was at fault.
- Allow us or our representative to ask questions or conduct interviews. Provide us with written statements under oath, if we require you to do so.
- Provide valuations, receipts or other proof of ownership, if we request you to.
- Pay your excess (if applicable) when we tell you to. (Refer to page 55 for details on when to pay your excess).
- Tell us if there is any other insurance on your car, trailer, caravan, property or any items covered by this policy.
- Advise us of any communication you receive in connection with the claim, and of any court proceedings.
- Tell us about any input tax credits or other amounts you are entitled to, if you are registered for GST.
- Allow us to inspect your damaged car, trailer, caravan, property or items, including giving us permission to tow your car to a place or repairer nominated by us.
- Allow us to take possession of your damaged car, trailer, caravan, property or items involved in the claim.
- Cooperate with us as we negotiate, defend or settle your claim. This might include giving evidence in court.
- Pay to any financier the difference between our claim settlement amount, if we treat your car as a total loss, and the outstanding amount of your instalment plan, sale or leasing agreement.
What we will do

When you make a claim we will handle your claim in a fair, transparent and timely manner. If we have accepted your claim, this means that:

If your car has been damaged:

- We have established a National Partner Repair Network. These repairers must meet our high selection standards of repair quality and service.
- Because you will use one of our partner repairers you do not need to shop around for quotes and we will guarantee the quality of the workmanship and materials used in the repair.
- We will provide a Lifetime Repair Guarantee on repairs authorised by us (refer pages 24-25). Your car will be repaired to the condition it was in immediately before the insured event or, if that is not reasonably possible, to substantially the same condition.
- We may need to inspect your car. If so, we will tell you where you need to take it or arrange to move your car to another repairer at our expense.
- The most we will pay is the cost of repairs as determined by our assessor, or quoted by our partner repairer. We may sublet part of the repairs to another repairer.
- If we agree to repair your car then we will use parts suitable for your car’s age and condition, as follows:
  - in most circumstances new Original Equipment Manufacturer (OEM) approved parts will be used if your car is under 3 years old,
  - new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
    - your car is over 3 years old; and
    - it does not affect the safety or the structural integrity of your car; and
    - it complies with the applicable Australian Design Rules and the car manufacturer’s specifications.
  - for windscreens, we use parts which are compliant with Australian Design Rules.
- If we have paid or agreed to pay a claim under this policy and any part for your car is unavailable in Australia, our liability for the cost of freighting that part to Australia will be limited to that arising from sea transportation only.
- We will not pay an international air freight charge or an amount exceeding the manufacturer’s list price for any part, unless the charge or amount is incurred with our prior consent.
- If our partner repairer needs to engage the services of a specific specialist repairer and/or supplier our repairer may sublet some of the repair work to such specialist repairer or supplier.
- If the repair of your car leaves it in a better position than it was before the insured event, you might have to contribute to the cost of repairing or replacing items such as tyres, engines, additional accessories, paintwork, bodywork, batteries or interiors affected by wear and tear or rust and corrosion. How much you pay depends upon our assessment of how worn these items were when the damage occurred.
- If we decide that the cost of repairs to your car is more than the sum insured less any amount we can obtain from the salvage of your car, we will declare it a total loss.
- We are a signatory to the Motor Vehicle Insurance and Repair Industry Code of Conduct. The voluntary Code is intended to promote transparent, informed, effective and co-operative relationships between smash repairers and insurers based on mutual respect and communication. For further information about the Code visit the website www.abrcode.com.au.
- We will handle any complaint about the quality or timeliness of the work or conduct of the repairer under “Complaints” contained within the “Important Information” section of the PDS.

If your car has been stolen:

- If your car has been found within 14 days, and it is damaged, we will follow the procedure for damaged vehicles, as set out above.
- If your car has not been found after 14 days, we will declare it a total loss if we have accepted your claim.

If your car is a total loss:

We will:

- replace it with a new car, if you qualify for this benefit (refer page 26), or
- pay you the sum insured less any excesses that may apply, or
- if your car is subject to an instalment plan, or a sale or leasing agreement, we will pay the sum insured, less any excesses which may apply, to the financier. (If the claim payment does not settle the amount owing to the financier, you must pay the difference or, if the claim payment exceeds the amount owing to the financier, we will pay the difference to you).
• We will retain your damaged car and keep the proceeds of any salvage sale. We will also retain the unexpired portion of the registration and Compulsory Third Party insurance. If you prefer to keep your damaged car, we will determine the salvage value including the unexpired portion of the registration and Compulsory Third Party insurance and deduct this amount from our payment to you.

• Your insurance cover will cease as soon as we accept liability. Because we will have met our obligation to you in full:
  o if you have paid an annual premium, we will not return any premium you have paid for the period after the date of insured event, or
  o if you are paying your premium in monthly instalments, there will be no return of any part of an instalment you have paid and we will deduct any remaining instalments from the amount we pay.

You will need to take out new insurance cover for your replacement car.

For all claims:
• When we settle your claim, we will reduce the amount we pay by the amount of the excesses shown on your schedule. The different excesses that may apply to your insurance are explained on pages 39-41. However, we will not deduct any excess if you can satisfy us that the collision was the fault of someone else and you have given us the name and address of that person and the registration number of their vehicle.

• We will decide whether or not the driver of your car is at fault by contributing to the cause of the insured event.

• For each at-fault claim that we accept from you in which you were at fault, we will reduce your No Claim Discount by a percentage when your policy is renewed, unless your No Claim Discount has been protected.

• The amount that we pay will be based on GST inclusive costs. However, if you are, or would be, entitled to claim any input tax credits for the repair or replacement of your car, we will reduce any claim under the insurance by the amount of the input tax credits.

• The maximum amount that we will pay is the sum insured.

• If you withdraw your claim, or we refuse to accept it, you may have to refund to us any of our costs incurred in processing your claim, or payments we have already made to you, including any payments made for rental car costs.

Your excess

Will you have to pay an excess?

You do not need to pay an excess if:
• we agree that a collision was not your fault and you can give us the name and address of the person who was at fault and the registration number of their vehicle,
• any damage to your car was not caused by another vehicle and we agree that you are not at fault and you can give us the name and address of the person who is, or
• your claim is for a first broken windscreen, and you have paid the additional premium for the Optional Benefit referred to on page 32.

You will need to pay an excess in all other situations as we will not be able to recover the costs of the loss or damage to your car.

When to pay your excess:

If you do need to pay an excess, we may at our discretion:
• require you to pay it to the repairer when you collect your car,
• deduct it from any amount we pay to you, or
• request you to pay it at any other time.

Recovery actions

You agree that all of the provisions set out below under Recovery action by us and Recovery action by you, apply where we cover you under the policy for some or all of the loss or damage you suffer in connection with an incident.

Recovery action by us

We may, if we choose to, take steps to recover from someone else we consider responsible for the incident:
• some or all of the loss or damage we cover; and/or
• some or all of the loss or damage which we do not cover, whether or not it is covered by another insurer or you do not have cover for it.
We may take such recovery action:
• without your consent;
• using your name; and
• whether or not you have been, or have a right to be, fully compensated for all of your loss or damage by us or anybody else.

Examples of recovery action we may take include:
• conducting legal proceedings using your name, including as an applicant or plaintiff in representative or group proceedings (commonly known as class actions);
• conducting legal proceedings on your behalf as a member of representative or group proceedings;
• taking over the conduct of legal proceedings started by you or on your behalf, including as an applicant or plaintiff in representative or group proceedings;
• entering into contracts in your name in relation to litigation funding or legal representation, including where entry into those agreements causes you to become a group member of representative or group proceedings; and/or
• exercising any statutory or contractual rights, including rights to opt-out, that you have in or in connection with representative or group proceedings.

We have in our discretion the right to decide upon the conduct and any settlement of any recovery action we take.

You consent to us taking such recovery action and exercising all the rights you have in connection with the loss or damage you have suffered in connection with the incident.

If we take recovery action in respect of some or all of the loss or damage which we do not cover, we may in our discretion require you to contribute to the costs we incur.

Of any amount recovered in recovery action we take, we first keep the amount we have paid, or must pay, you under the policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs we have incurred in taking the recovery action. We then pay you the amount of loss or damage for which you do not have any cover with us plus any interest recovered on that amount and costs you may have been required by us to contribute. Finally, we keep any remaining balance.

You must give us all the information and co-operation that we require to take the recovery action.

You must not do anything which prejudices us in taking any recovery action. For example, you must not:
• assign your rights to anyone else – for example, a tow truck driver or a smash repairer; or
• opt-out of any representative or group proceedings taken by us.

Recovery action by you
You may only take recovery action with our prior written consent and on conditions which we in our discretion impose.

You must have proper regard for our interests in respect of loss or damage that we cover.

You must seek to recover the loss or damage we cover in addition to any other loss or damage you have suffered in connection with the incident.

Of any amount recovered in recovery action you take, you first keep the amount of loss or damage for which you do not have any cover with us plus any interest recovered on that amount and any administrative and legal costs you have incurred in taking the recovery action. You then pay us the amount we have paid, or must pay, you under the policy plus interest recovered on that amount. Finally, you keep or pay any remaining balance in accordance with any other obligations you have.

We may:
• take over the conduct of legal proceedings started by you or on your behalf, including where you are an applicant or plaintiff, or a group member, in representative or group proceedings; and
• require you to cease recovery action that you have commenced.
WHAT OUR WORDS MEAN

Act of terrorism includes any act, or preparation in respect of action, or threat of action designed to influence the government de jure or de facto of any nation or any political division thereof, or in pursuit of political, religious, ideological or similar purposes to intimidate the public or a section of the public of any nation by any person or group(s) of persons whether acting alone or on behalf of or in connection with any organisation(s) or government(s) de jure or de facto, and which:

- involves violence against one or more persons, or
- involves damage to property, or
- endangers life other than that of the person committing the action, or
- creates a risk to health or safety of the public or a section of the public, or
- is designed to interfere with or to disrupt an electronic system.

Additional accessories means the accessories described in your schedule. They are installed items or equipment fitted to the car as optional extras. They increase the value of the car but not its performance or handling. Additional accessories include but are not limited to sunroofs, sound systems and instruments.

Agreed value means the actual amount we have agreed your car to be worth. It is shown on your schedule. This value is set at the start of the period of insurance. As most cars depreciate with age and use, the agreed value will almost always reduce when your policy is renewed. The agreed value includes GST.

Business purposes means your car is insured when it is used for your full time, part time or casual work that you have told us about and we have agreed to cover you for. It includes the use of your car for social, domestic and pleasure purposes.

Car means the motor vehicle described in your schedule and includes:

- up to $1,000 for a trailer or caravan when it is attached to your car,
- the manufacturer’s standard tools and standard, accessories fitted to your car,
- additional accessories,
- modifications if we have covered them by listing them on your schedule, and
- modifications that we would have covered if you had told us about them. We may ask you to pay an additional premium to cover these modifications.

Driver means you, or a person who you have given permission to drive your car.
