# 1. Important information

## Your contract

Your policy is a contract between you and us and is made up of:

- > your Certificate of Insurance,
- > this Product Disclosure Statement (PDS), and
- > any applicable supplementary PDS (SPDS).

## More than one insured

If there is more than one person insured, anything any insured says, does or omits applies to all policy holders. Each insured can act on behalf of all the insureds as their agent.

## Certificate of Insurance

A Certificate of Insurance shows your level of cover plus any Optional extras you have added to your policy. It also shows the period of insurance your policy covers, which is the period of time you are insured for. We only cover you for incidents that happen during this time.

## Receiving your policy documents

You can choose to receive your policy documents:

- > electronically by email, or
- > by post.

If we send your policy documents to you by email, we'll send them to the person and email address you have nominated. Any policy documents we send to this email address will be considered to have been received by you.

If we send your policy documents to you by post, we'll send them to the person and mailing address you have nominated for receiving policy documents. You are responsible for keeping your contact and policy details up to date.

## Credit provider

You may have used all or part of your home as security for a loan with a credit provider. Your credit provider may be a bank, credit union or other type of lender. When you have Building Insurance, we may note any credit provider you tell us about on your current Certificate of Insurance.

## Your premium

In return for paying your premium, we provide the cover you have chosen.

**For more information** about how we work out your premium, see our Home Insurance Premium, Excess & Discounts (PED) Guide. To get a copy of our Home Insurance PED Guide free of charge visit [coles.com.au/insurance-information](https://coles.com.au/insurance-information)

## Paying your premium

Keep in mind, you must pay your premium on time.

You can pay:

- > annually in one full payment, or
- > monthly instalments - via direct debit from your nominated bank account or credit card.

(If you pay your premium via monthly instalments, the total premium may be higher than if you pay one annual payment.)

Your Certificate of Insurance shows the amount you need to pay and the due date for your annual premium or each monthly instalment.

## What happens if you don't pay on time

When you take out insurance, you need to pay your annual premium or any monthly instalments by the due date specified on your Certificate of Insurance. If you don't pay on time, we may cancel your policy.

If your annual premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.

If your annual premium remains unpaid after the time period specified in the notice we send, we will:

- > cancel your policy for non-payment, and
- > refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by monthly instalments and your premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, we will:

- > cancel your policy for non-payment, and
- > refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by monthly instalments, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

A monthly instalment is unpaid if it cannot be deducted from your nominated bank account or credit card.

If you need to make a claim when your policy is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows, we can reduce the settlement payment by the overdue amount.

To make any payments towards your insurance you can visit our online Insurance Service Centre: [coles.com.au/insuranceservicecentre](https://coles.com.au/insuranceservicecentre) or, alternatively you can call us.

## Cooling-off

If you change your mind and no longer want this insurance, you can tell us to cancel your policy within 30 days from:

- > the date we commence your policy, or
- > the start date of the period of insurance that applies when you renew your policy.

If you tell us to cancel your policy within the 30 days effective from the start date, we'll refund the premium you paid us in full. However, we will only do that if you haven't made a claim on your policy. You can also cancel your policy as set out in 'Cancellation' in this section (refer to page 4).

## Online Self-Service Centre

You can update your policy information, view your documents, payments, lodge and manage a claim at our online Insurance Service Centre: [coles.com.au/insuranceservicecentre](https://coles.com.au/insuranceservicecentre)

## Changes to your policy

You may want to make a change to your policy (such as adding Optional extras to increase your cover). To make a change to your policy please contact us.

An additional premium may apply to the change. You are required to pay the additional premium at the time the changes are made.

If we agree to make the change, we will:

- > notify you if any additional premium applies to the change and require you to pay this amount by the date we tell you in order to make the change,
- > refund any amount we owe you due to the change, and
- > issue you with an updated Certificate of Insurance.

In some cases, when we receive any change in details from you, we may cancel your policy if the change materially increases risk under your policy. If we do, we will notify you of the cancellation.

## **Cancellation**

In addition to your 'Cooling-off rights', you may cancel your policy at any time (for example, if you no longer want your policy).

There may be circumstances where we need to cancel your policy. We'll only do this if we are legally allowed.

Some examples of when we may cancel your policy are if you:

- > paid an annual premium, we'll refund your unused premium less any non-refundable government taxes, charges, or
- > pay your premium by monthly instalments, we'll deduct any unpaid monthly instalments that are due.

We may cancel your policy if you:

- > failed to answer our questions truthfully and accurately,
- > made a misrepresentation to us before the policy was issued,
- > made a fraudulent claim, or
- > failed to pay your premium by the due date specified on the notice we sent to you when your premium became overdue.

## **Return premium**

If your policy is cancelled and you have paid an annual premium, we'll return any premium you have paid for the period after the cancellation date.

If your policy is cancelled and you are paying your premium in monthly instalments, there will be no return of any part of an instalment you have paid. However, you will not have to pay any instalments which would have become due after the date of cancellation (unless you have a total loss refer to the Claim section of this document, pages 46 - 59).

## **Premium write off**

If we owe you a premium of less than \$5, we will not refund this premium. If we need to charge you an additional premium less than \$5, then we'll waive it.

## Renewal

When it's time to renew your policy, we'll provide written notice at least 14 days prior to the expiry. We'll do this if we are prepared to renew your policy and provide the renewal date.

If we offer to renew your policy, we'll send you an updated Certificate of Insurance and quote a premium based on the information in your current policy. You should review any offer of renewal to ensure the insurance cover is still appropriate for you.

If you paid your last premium by monthly instalments, we'll continue to deduct payments from your nominated account or credit card, and your policy will automatically renew if we offer you a renewal.

If you do not want us to continue to deduct these monthly instalments and automatically renew your policy, please contact us prior to the expiry of your policy.

## Assigning rights and appointing a representative

### Assigning your rights

You must not assign any benefits, rights or obligations under your policy unless you get our written consent first.

### Appointing someone to represent you

If you want to appoint someone to represent you in order to manage your policy or claim, then you need to tell us, and we need to agree that we will deal with them on your behalf. We will not unreasonably withhold our consent. We may have a concern with a party that you may want to appoint if they present a conflict of interest, for example, someone who supplies goods or services for your claim. We will not pay any costs charged by anyone you appoint to represent you.

## Your responsibilities

If you don't meet your responsibilities, we may refuse to pay your claim or reduce what we pay for your claim. We may also decide to cancel your policy. The course of action we take when you fail to meet your responsibilities will be considered in each circumstance based on what impact or effect your failure caused or contributed to the claim or our decision to issue your policy.

## **Notify us of changes**

Let us know as soon as reasonably possible if:

- > you move address,
- > your home will be unoccupied for more than 60 days,
- > any change is made to your buildings or contents which we insure, and which might affect the nature of the risk covered by this policy,
- > you plan any building work, including any additions, renovations, alterations or modifications,
- > you need to increase the sum insured of your buildings or your contents,
- > you need to add any Specified contents for inside the home (refer to page 28) or Portable contents cover items (refer to page 40) or,
- > you or your family are charged with or convicted of any criminal offences.

If you tell us about any of these things, please be aware that we may charge an additional premium, change your level of cover or even cancel your policy in order to reflect the change in risk and terms upon which we have issued your policy. If you do not wish to accept our terms, you can cancel your policy.

### **We also require you to:**

- > be truthful and frank in any statement you make in connection with your policy,
- > not behave in a way that is improper, hostile, threatening, abusive or dangerous,
- > take reasonable care to avoid a claim being made,
- > do everything reasonable to prevent further loss or damage to any property if an incident happens,
- > take reasonable steps to ensure you or anyone acting on your behalf obeys all relevant laws,
- > not make a fraudulent claim under this policy or any other insurance policy, and
- > follow the conditions of this policy,
- > maintain your home and keep your property in good repair,
- > take all reasonable steps to protect your buildings and your contents from loss and damage, and
- > on every occasion you leave your property lock all windows and doors and put into operation any alarm or other security system you have told us about.

There are also things you should and should not do if you make a claim under this policy. These are set out in the 'Claims' section (refer to pages 46 - 59). If you breach any of the terms of this policy we may refuse or reduce a claim, cancel your policy or do both. The course of action we take when you breach any of the terms will be considered in each circumstance based on what impact or effect your breach caused or contributed to the claim or our decision to issue your policy.

## Reviewing your Buildings and Contents cover

Make sure you insure your buildings and contents for their replacement value.

You should regularly review your buildings sum insured and contents sum insured – especially after you renovate your home or buy new things.

Remember that the most we'll pay for any loss or damage is the sum insured. This is why it is important to have sufficient cover for any loss or damage which occurs.

When you insure your property, you must decide on a sum insured which is adequate to cover the current replacement cost of your buildings and your contents.

When your policy is renewed, we'll automatically adjust the sum insured for your building and general contents to account for inflation. However, you may have made some changes to your buildings or bought new contents. You must check your most recent Certificate of Insurance to ensure that the sum insured is adequate to cover the replacement cost of your home to meet the current building requirements and codes.

If you do not do this regularly, you may be under insured.

For a detailed calculation of replacement costs, visit [coles.com.au/insurance-calculators](https://coles.com.au/insurance-calculators)

Please note that Specified contents inside the home (refer to page 28) and Portable cover (refer to page 40) which are listed separately on your Certificate of Insurance will remain insured for the values you nominated. As we will not increase the sum insured for these items on renewal, you must specifically ask us to increase or decrease these values, when necessary.

## **Buildings – what we will and won't pay**

### **What we will pay**

If your buildings are insured and loss or damage to your buildings occurs as a result of an insured event during the period of insurance, and

- > we agree to accept your claim, we will, choose whether to:
  - repair or rebuild your buildings, or
  - pay the necessary cost as determined by us of repairing or rebuilding your buildings.

When we settle your claim, we will have regard to the circumstances of your claim and consider any preference you may have.

We will pay up to the sum insured of your buildings, or up to any limit that applies under the relevant additional benefit, less any applicable excess.

If we choose to repair or rebuild your buildings, we can nominate the builder, repairer or supplier.

If we choose to repair your buildings, we will:

- > make our best attempts to match the materials used when your buildings were built or last renovated,
- > only repair or rebuild the parts of your buildings that have been damaged as a result of the insured event, and
- > not pay to repair or replace undamaged materials or sections of your building in order to create a uniform effect throughout your home.

If you wish to have additional repairs completed to undamaged materials or sections in order for materials to match, you are able to:

- > pay the extra cost of repairing or replacing the undamaged areas to achieve a matching appearance, or
- > we will pay you what it would have cost us to repair or replace the damaged area only.

Where we are unable to match materials, we will use or pay for materials which are of a similar kind or quality.

If we choose to rebuild your buildings, we will:

- > use new materials, and
- > rebuild your buildings to the same size and standard.

If we choose to pay the necessary cost of repairing or rebuilding your buildings, we may:

- > pay our builder directly, or
- > pay you.

If we pay you, we will pay either:

- > the costs you actually incur, or
- > the reasonable cost of what it would cost us to repair or rebuild your home provided that cost is available to or actionable by you, up to the building sum insured listed on your Certificate of Insurance.

## **What we won't pay**

If you choose not to commence repair or replacement of your buildings within six months of the date the loss or damage occurred, we will not be liable for any additional costs for unreasonable delays caused by you or any repairer, builder or supplier you appoint or engage in repairing or rebuilding your home.

If you decide not to proceed with the rebuilding or repair of your buildings, we will pay:

- > the rebuilding or repair cost as at the date of loss or damage, up to the building sum insured listed on your Certificate of Insurance.

If we accept your claim for loss or damage to a dividing fence, we will only pay half the cost of repairing the fence.

## **Contents – what we will and won't pay**

### **What we will pay**

If your contents are insured and loss or damage to your contents occurs as a result of an insured event, during the period of insurance and we agree to accept your claim, we will, choose whether to:

- > repair or replace your contents, or
- > pay the necessary cost as determined by us of repairing or replacing your contents, or
- > we will pay up to the sum insured of your contents, or up to any limit that applies under the additional benefit, less any applicable excess.

When we settle your claim, we will have regard to the circumstances of your claim and consider any preference you may have.

If we choose to repair or replace your contents, we will nominate the repairer or supplier.

If we choose to repair or replace your contents, we will make our best attempts to match the materials and contents.

If we are unable to match materials, we will use or pay for materials which are of a similar kind or quality.

If your claim is for damage to carpets, loose floor coverings, curtains or internal blinds, we will only pay for repair or replacement in the rooms where the damage occurred.

If we choose to replace your contents, we will replace items with those of a similar type, standard and specification as when new.

If we choose to pay the cost of repairing or replacing your contents.

We will pay:

- > the costs you actually incur, or
- > the reasonable cost of what it would cost us to repair or replace your contents provided that cost is available to or actionable by you, up to the contents sum insured listed on your Certificate of Insurance or limits within this PDS.

Replacement of your contents is on a new for old basis.

New for old means materials or items of the same type, standard and specification as when new. If the same is not available, it means materials or items of a similar type, standard and specification when new. It does not mean of a better standard, specification or quality as new, or of the same brand.

## **What we won't pay**

We will not pay for matching carpets, curtains or internal blinds in other rooms or areas of your home to create a uniform effect throughout your home.

If you wish to have additional work completed, or any floor or window coverings replaced, or for materials or items to match, or any work in any adjoining room or your entire home, you are able to:

- > pay the extra cost of repairing or replacing the undamaged areas to achieve a matching appearance, or
- > we will pay you what it would have cost us to repair or replace the damaged area.

If there is loss or damage to a pair, set or collection, then we only cover the part that was affected. Where it is not possible to repair or replace the damaged part and this will impact the mechanical or electronic operation of the entire pair or set we will:

- > replace the entire pair or set, or
- > pay you the value of the damaged pair or set.

For example - if one earring is damaged we will only cover the cost of one earring however, if one bluetooth headphone is damaged and the pair will not operate as intended we will pay for the entire pair.

### **What we will do**

When you make a claim, we will handle your claim in a fair, transparent and timely manner.

If we have accepted your claim, this means that:

## **If your claim is for loss or damage to your buildings**

- > We will obtain independent, competitive quotes from our recommended suppliers and repairers. You may also provide a quote from a supplier or repairer of your choice.
- > We will determine the work that is necessary to repair or rebuild your building and review the quotes.
- > You may choose to make design or structural changes to your building. Any additional cost of such changes is your responsibility. If you choose to do so, we may at our option settle your claim by payment to you of the necessary cost as determined by us of repairing or rebuilding your buildings.
- > We will decide whether the loss or damage can be repaired or whether to rebuild or pay the cost of rebuilding your buildings. We will pay up to the sum insured of your buildings or up to any limit that applies under the additional benefit, less any applicable excess,
- > If we decide to repair or rebuild your buildings:
  - we will choose the supplier or repairer who has provided the most complete and competitive quote,
  - we will oversee the repair or building work and keep you informed of progress, and
  - we will guarantee the quality of materials and workmanship of repairs that we authorise and arrange for the lifetime of your home,
- > If we decide to pay the cost of rebuilding and your buildings are subject to a mortgage, we will pay the sum insured, less any excesses which may apply, to the financier. If the claim payment does not settle the amount owing to the financier, you must pay the difference or, if the claim payment exceeds the amount owing to the financier, we will pay the difference to you.

## **If your claim is for loss or damage to your contents**

- > We may arrange for an assessor to meet with you, to obtain the full details of your loss.
- > We will discuss with you how best to make good the loss or damage.

- > We will obtain independent, competitive quotes from our recommended suppliers and repairers. You may also provide a quote from a supplier or repairer of your choice.

- > If we replace your contents and you choose items of a better type, standard or specification, any additional cost of such changes is your responsibility.
- > We will determine what is necessary to repair or replace your contents and review the quotes.
- > We will choose the supplier or repairer who has provided the most complete and competitive quote.
- > We will arrange with that supplier or repairer to repair or replace your contents and keep you informed of the progress.

## For all claims

- > The maximum amount that we will pay is the sum insured plus any additional amount you are entitled to as defined under Additional benefits or Optional extras.
- > When we settle your claim, we will reduce the amount we pay by the amount of the excesses shown on your Certificate of Insurance. The different excesses that may apply to your policy are explained on page 55.
- > The amount that we pay will be based on GST inclusive costs. However, if you are, or would be, entitled to claim any input tax credits for the repair or rebuilding of your buildings or the repair or replacement of your contents, we will reduce any claim under the insurance by the amount of such input tax credits.
- > We may retain your damaged property, materials or items and keep the proceeds of any salvage sale. If you prefer to keep these items, we will determine the salvage value and deduct this amount from any payment we make. You may not abandon any damaged property by leaving it with us.
- > If you are held at fault for any claim against you, and we agree to do so, we will conduct the defence and/or settlement of any action brought about by other people.
- > We will pay the legal costs associated with defending any claim against you, if we have told you and we have appointed the solicitors who will defend the claim.

## Payments to the credit provider

We may decide to pay you cash for a claim on your mortgaged property. If so, we will first pay the credit provider the lowest of these amounts after deducting any excess(es) and unpaid premium:

- > the buildings sum insured, or
- > the required cost of repairing or replacing your home, or
- > the balance then owing to the credit provider under the mortgage.

If we make a payment to a credit provider, then that payment discharges our obligation to you under your policy for the amount we have paid.

## How your claim affects your policy

### If your claim is for loss or damage to your buildings

- > If we decide that the loss or damage to your building can be repaired, and we decide to repair your building, or we decide to pay the cost of repairing your building, your policy will continue for the remainder of the period of cover. The sum insured will not be changed. There will be no change to your premium for the period of insurance.
- > If we decide that the loss or damage to your building cannot be repaired, and we decide to rebuild your building, your policy will continue for the remainder of the period of cover. The sum insured will not be changed. There will be no change to your premium for the period of insurance.
- > If we decide that the loss or damage to your building cannot be repaired, and we decide to pay the cost of rebuilding your building, cover under your policy will cease as soon as we accept liability. As we will have met our obligation to you under your policy in full:
  - if you have paid an annual premium, we will not return any premium you have paid for the period after the date of loss or damage, or
  - if you are paying your premium in monthly instalments, there is no return of any part of an instalment you have paid and we will deduct any remaining instalments from the amount we pay. In this case, you will need to take out new insurance cover for your replacement buildings.

### If your claim is for loss or damage to your contents

- > If we decide that the loss or damage to your contents is less than the sum insured of your contents, and we decide to repair or replace your contents, or pay the cost of repairing or replacing your contents, your policy will continue for the remainder of the period of insurance and the sum insured will be reinstated. There will be no change to your premium for the period of insurance.
- > If we decide that the loss or damage to any item or items of your contents is more than the limit that applies to that group, or Specified content item inside the home, or Portable content item, and we pay the amount of that limit for the item, the cover for those items under your policy will cease as soon as we accept liability and your sum insured will be reduced by the sum insured for those items. As we will have met our obligation to you in full:
  - if you have paid an annual premium, we will not return any part of the premium you have paid for the lost or damaged items, or

- if your premium is paid by monthly instalments, we will deduct any outstanding premiums when we pay your claim settlement.

## Excesses

An excess is the amount you contribute towards the cost of your claim.

There are 3 types of excesses:

- > Standard excess,
- > Nominated excess, and
- > Portable contents cover excess.

The type of excess you need to contribute depends on what your claim relates to. Also, you may need to contribute more than one excess.

Your current Certificate of Insurance shows the amount and types of excesses that apply to your policy.

### When to pay your excess

If you need to pay an excess, we may:

- > require you to pay the excess to the supplier when your property is replaced, or the repairer when your property is repaired, or
- > deduct the excess from any amount we pay to you.

If we request you to pay the excess, we will tell you who to pay and may require payment as part of the finalisation of your claim.

**For more information** about the excesses that may apply to your policy and how we work out your premium, see our Home Insurance Premium, Excess & Discounts (PED) Guide. ## Recovery actions

### What we can do

When you make a claim under your policy, you agree that we may:

- > take over and conduct in your name the defence or settlement of any claim against you and we'll have sole discretion in how the defence is conducted or a claim is settled,
- > proceed and recover in your name against any party responsible for the loss or damage or liability and you must not do anything which limits our right to do so, and
- > represent you at an inquest or official enquiry.

You must not do anything that prevents us from doing any of these things and you must give us information and cooperation that we reasonably require. See page 51 'Help us manage your claim'.

### What you can do

You can only take a recovery action in relation to any loss, damage or liability relating to a matter under this policy if we agree in writing to this. We may not provide consent and we may impose conditions on that consent.

If we don't provide consent, we can at any time take over conduct of, or require you cease, any recovery action taken by you.

## Some examples of how we pay claims:

In this section, we outline examples of how we may pay some claims. These examples are illustrative only and any amount we pay for your claim depends on the details that apply to your situation.

### **Example 1: Loss or damage to your Buildings**

Your building is insured for \$350,000 and you have chosen a nominated building excess of \$500.

#### **Steps of the claim:**

After contacting us to lodge the claim, we assess the damage and determine the cost of removing the graffiti will be \$3,000 (inclusive of GST).

Our preferred repairer will repair your property and we advise that you need to pay your nominated excess of \$500 directly to the repairer.

We settle the balance of the repair costs directly with the repairer.

### **Example 2: Loss or damage to your Contents**

A thief breaks into the home you are renting and steals a number of your contents items.

Your contents are insured for \$50,000 and you have chosen a nominated contents excess of \$400.

#### **Steps of the claim:**

After reporting the theft to the police, you contact us to lodge a claim. After assessing your claim we determine the total value of items stolen was \$2,500.

We arrange to replace your contents items and we advise that you need to pay your nominated excess of \$400 towards the replacement. We settle the balance of the replacement.

### **Example 3:**

#### **Loss or damage to your Buildings and Contents**

Your property has been damaged by a storm and your buildings and contents have been affected.

Your buildings are insured for \$400,000 and your contents are insured for \$75,000.

You have chosen a nominated building excess of \$800 and a nominated contents excess of \$500.

##### **Steps of the claim:**

After contacting us to lodge the claim, we assess the damage and determine the cost of repairs for your building to be \$3,000 and the cost to replace your contents to be \$1,000.

We arrange the repair of your building and the replacement of your contents and we advise that you need to pay only one excess of \$800 (which is the higher of your nominated building and contents excesses).

### **Example 4:**

#### **Loss or damage to your Contents when you have Unspecified portable cover**

Whilst you are away from home a thief steals your laptop computer.

Your contents are insured for \$50,000 and you have chosen to add Unspecified portable contents cover of \$2,000 as an Optional extra to your policy. Your nominated contents excess is \$750, and your Unspecified portable contents cover excess is \$100.

##### **Steps of the claim:**

After reporting the theft to the police, you contact us to lodge a claim. After assessing your claim, we determine that the total value of replacing your laptop is \$1,500.

We arrange to replace your laptop under the unspecified portable contents cover and we advise that you need to pay an excess of \$100 towards the replacement.

## **Example 5: Total Loss to your Home and Contents**

Your property has been damaged by a fire and your building and contents have been totally destroyed.

Your building is insured for \$550,000 and your contents are insured for \$70,000.

You have chosen a nominated building excess of \$800 and a nominated contents excess of \$800.

### **Steps of the claim:**

After contacting us to lodge the claim, we assess the damage and we determine your property cannot be repaired/replaced within the sums insured.

We calculate a settlement payment of the total loss as below:

- > \$550,000 your building sum insured
- > \$70,000 your contents sum insured
- > Less the nominated excess of \$800 (You only need to pay one excess when you insure combined buildings & contents)
- > We provide you a settlement payment of \$619,200 (with the consent of your mortgage provider)
- > If required we will also pay up to an additional 10% of your sum insured for removal of debris, professional and rebuilding fees.

There isn't any refund of policy premium (and if the policy was paid monthly, we will make an adjustment of the remaining premium instalments due to us in the settlement payment).
