Cooling off

Even after you decide to buy this insurance, you have 30 days from the date cover commences to change your mind and let us know that you want to cancel the policy. We will refund the premium you have paid, less any government charges or taxes we are unable to recover, provided you have not made a claim under the policy.

Compensation Arrangements

The *Corporations Act 2001 (Cth)* requires licensees to have arrangements for compensating retail clients for losses they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of this Act, unless an exemption applies. We are exempt from this requirement because we are an insurer supervised by the Australian Prudential Regulation Authority and subject to the prudential requirements of the *Insurance Act 1973 (Cth)*.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) and only applies in the event of an insurer becoming insolvent and the Federal Treasurer declaring that the FCS will apply to that insurer.

Payment of a claim under the FCS is subject to the FCS's eligibility criteria being met.

Information about the FCS can be obtained from <http://www.fcs.gov.au>.

Terrorism Insurance Act 2003 (Cth)

This policy excludes cover for losses as a result of an act of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then you may be afforded protection within the time limits of indemnity of this policy by virtue of the *Terrorism Insurance Act 2003 (Cth)*. The operation of this Act may also serve to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the minister.

HOW THIS INSURANCE WORKS

This policy provides cover for your building or contents or both in Australia. These are explained on page 9. This approach gives you flexibility as you can arrange your insurance to meet your particular needs.

Before you choose, you need to understand the significant benefits of each of the cover types, when benefits will be provided to you, and how. To do this, please read this document to understand:

- the difference between the types of cover (page 9),
- the benefits of each type of cover (Buildings pages 34-35 and Contents pages 42-43),
- what is covered and what is not (pages 18-27),
- the optional benefits that you can choose from (Buildings pages 34-35, Contents pages 42-43 and all cover types pages 44-53), and
- what will happen in the event of a claim (pages 63-70).

If you do buy this insurance, there are also a number of things which:

- you need to tell us (page 57),
- you need to do (page 57), and
- you should know (page 59).

It is important for you to know that we may refuse to pay, or may reduce the amount we pay, under a claim if you:

- do not comply with the terms and conditions of this policy,
- do not answer our questions truthfully and accurately, or
- make a fraudulent claim.

There are other things which we need to tell you. These are set out on page 60.

Where our words have a particular meaning, we have explained these words are on pages 71-73. We have used capital letters to indicate sections of the document which contain relevant information, such as Types of Cover or General Exclusions. A detailed table of contents is provided on pages 2-3 and will help you locate these sections.

Types of cover

The types of cover you can choose from are:

- Buildings, or
- Contents, or
- Buildings and Contents.

This insurance policy booklet has a section for Buildings cover and a section for Contents cover. If you choose Buildings and Contents cover combined, both sections apply.

Summary of cover

The summary of cover below is subject to the terms, conditions and exclusions of the policy. You should read the wording of this product disclosure statement and policy wording to determine the scope of cover and whether it is suitable for you.

Buildings cover

Building insurance provides cover for loss or damage to the building noted on the schedule. It does not provide cover for any of your contents.

If you choose Building and Contents cover, we also include Contents insurance cover.

Contents cover

Contents insurance provides cover for loss or damage to the contents inside the building noted on the schedule. It does not provide cover for the building.

If you choose Building and Contents cover, we also include Building insurance cover.

Buildings and Contents cover

Building and Contents insurance provides cover for loss or damage to the building that is noted on the schedule. It also provides cover for loss or damage to the contents inside this building.

The policy continues for the period of insurance and covers you only for events that occur during that period. We provide cover only up to the amounts, limits and sums insured specified in the policy, less any applicable excess.

We do not cover you for anything that is the subject of exclusion.

An exclusion may be:

- in the relevant section itself,
- in the general exclusions on pages 54-57,
- in the schedule, and
- as an endorsement to the policy.

Summary of Insured Events & Optional Benefits

The table shows a list of insured events as well as a number of additional benefits included at no extra cost.

You can also choose to pay more and add Optional Benefits to increase your cover. These benefits are summarised in the table.

Cost of this Insurance

If you decide to buy this insurance, you will need to pay a premium. This can be paid in advance, for the period of insurance or monthly, in instalments (refer page 60). You may also need to pay an excess if you make a claim.

How we calculate the premium

We rely upon you to give us complete and accurate information about you, your building and, if necessary, your contents when we calculate the premium. In calculating your premium, we consider:

- the type(s) of cover requested,
- the construction of your building and/or type of contents,
- the type of building being insured,
- the age of your building,
- the sum insured,
- the location of your building and/or contents,
- the age of the policy holder, and
- your previous insurance history,
- your years of insurance.

For Buildings cover we also consider:

- whether your building is multistorey.

For Contents cover we also consider:

- the level of security of your building, and
- the storey level of the type of building being insured if it is a multistorey building.

The choices that you make in selecting your options will also affect your premium. These include:

- the type of cover you have chosen (refer page 9),
- any Optional Benefits that you have chosen (refer Buildings pages 34-35, Contents pages 42-43 and all cover types pages 44-53),
- the level of excess you have chosen (refer page 13), and
- whether you have chosen to pay your premium in instalments (refer page 60).

The factors mentioned above do not cover all the factors we may take into account.

Minimum premiums may apply and any discount we give you (except online discount) will not reduce a premium below the minimum premium.

We also calculate and include compulsory government charges such as Goods and Services Tax (GST) and Stamp Duty.

We show the sum of the premium and government charges as the premium on your schedule, which we will send to you within 5 business days of the purchase of your policy.

Your excess

You may need to pay an excess. An excess is the amount you must contribute towards each claim you make arising out of a single incident. The excesses apply to Buildings, Contents and Buildings and Contents cover, Damage caused by tenants cover, Tenant rent default cover and Loss of rent cover.

The excesses that apply to your policy will be shown on your schedule.

If you have Building and Contents cover and make a building and contents claim for the one incident, you only have to pay one excess being the higher excess of the building or contents section.

When a claim is made for more than one incident, you will need to pay any excesses that apply for each separate incident that we have identified.

We show the excesses that apply to your policy and the amount of each excess on your schedule.

For details on when your excess is to be paid, please refer to page 68.

The excesses are:

Standard excess

A Standard excess applies to your policy. The Standard excess applies when we accept a claim from you.

Voluntary excess

You may choose to pay an additional excess amount if we offer it to you. This Voluntary excess will reduce your premium. The Voluntary excess applies in addition to the Standard excess when we accept a claim from you.

Damage caused by tenants excess

This excess applies when you make a claim for damage caused by tenants. If you pay the Damage caused by tenants excess you do not have to pay the Standard excess or any Voluntary excess you may have chosen.

Tenant rent default excess

This excess applies when you make a claim for tenant rent default. If you pay the Tenant rent default excess you do not have to pay the Standard excess or any Voluntary excess you may have chosen.

Loss of rent excess

This excess applies when you make a claim for loss of rent. If you pay the Loss of rent excess you do not have to pay the Standard excess or any Voluntary excess you may have chosen.

Bond money

We will reduce the amount we will pay for loss or damage to your building or contents, rent default or legal expenses by any bond money that you are entitled to use to pay for or reduce the cost of any loss or damage, rent default or legal expenses.

BEFORE WE PROCEED

You must decide

If you choose to buy this insurance cover, and we agree to accept the risk, you need to make a few decisions about the insurance cover that you want. Please read this document in full, to understand the cover – especially the options that you have to choose from and the limitations and exclusions that apply. If there is anything you don't understand, please contact us.

It is important that you decide whether this insurance is right for you. Any advice which we might provide is general advice only and does not take into account your personal circumstances. You should read the details on policy cover, benefits and options contained in this document in full before proceeding further.

Answering our questions

When answering our questions, you must answer for yourself and for any other person who will be insured under this policy. You must also give us complete and accurate information to allow us to decide whether to insure you and the terms on which we will insure you. If you do not do so, we may be entitled to reduce or deny any claim that you make, or even to cancel your policy.

OUR AGREEMENT WITH YOU

If you pay the premium as set out on the schedule by the due date, we will insure your Buildings, Contents or both, in accordance with the terms and conditions in this document, for the period of insurance as set out in your schedule.

When you buy this insurance, we give you this Product Disclosure Statement and Insurance policy booklet. This booklet, together with your schedule and the information you provided to us when you bought this insurance, form the contract of insurance between you and us.

You should keep this booklet and your schedule in a safe place because you may need to refer to them from time to time.

Updating our Product Disclosure statement (PDS)

From time to time, we will need to update this PDS. If the change results in a material change from the PDS you hold, we will send you another PDS or a supplementary PDS. You may request a copy of a PDS free of charge at any time by contacting us.

Claim payment examples

The following examples are designed to illustrate how a claim payment might typically be calculated and what amount you may be required to pay. The examples are for guidance purpose only, do not cover all scenarios or benefits, and do not form part of the policy terms and conditions.

The excesses applicable to your policy may vary from those set out in the examples below. You should check your schedule for the precise amount of the excesses and not rely on the amount of the excesses set out in the examples below.

Claim example – loss or damage to building and loss of rent

The building has been insured for \$300,000. You have chosen to purchase the optional benefit of loss of rent with the weekly rental amount of \$400 shown on your schedule. A total excess of \$500 applies to your building and an additional excess of \$500 for loss of rent cover. Vandals break into the building and cause extensive damage which leaves the building unfit for occupation by your tenant. We assess the cost of repairs to the building is \$50,000 (inclusive of GST). The building will be unfit for occupation for a period of 4 weeks while the repairs are carried out. The rent you collect from the tenant is \$400

per week. The lease is not due to expire for 6 months and the tenant's payment of rent is up to date. We will pay the following amounts:

\$49,500 (inclusive of GST) to the repairer of the building, and request you pay the \$500 total excess directly to the repairer.
\$1,600 for loss of rent less the loss of rent excess of \$500 making a net payment to you of \$1,100.

Claim example – loss or damage to contents

You are covered for contents only with a sum insured of \$20,000 and an excess of \$500. Someone steals a washing machine worth \$1,500 from your rental property. The amount we will pay you is: \$1,500 less the total excess of \$500 giving a net claim payment to you of \$1,000.

Claim example – tenant's rent default

You have chosen to purchase the optional benefit of tenant's rent default. The tenant's rent default cover has a total excess of \$500. Your tenant leaves the site without notice 8 weeks before the expiry of the lease. Your tenants' bond amounts to 4 weeks rent. The site is re-tenanted 8 weeks after the tenant departs. The rent you were collecting from the tenant was \$400 per week. Your allowable re-letting expense amounts to \$400.

We will pay you:

\$3,200 (being the rent lost in the period between your tenant departing and the site being re-tenanted) less

\$1,200 (being the tenant's bond less \$400 for your allowable re-letting expenses) less

\$500 (being the total excess). This results in a net claim payment to you of \$1,500.

YOUR COVER

This policy provides insurance cover for your building, or contents or both.

Your schedule will indicate whether you have chosen insurance cover for your building or your contents or building and contents combined. To understand the difference between the three Types of Cover, please refer to page 9.

Your schedule will also show:

- any Optional Benefits you have chosen (Building refer to pages 34-35, Contents pages 42-43 and all cover types pages 44-53),
- what the sum insured is,
- the details of your home,
- the details of your building if you have chosen Building or Building and Contents cover,
- the details of your contents if you have chosen Contents or Building and Contents cover,
- the excess level you have chosen, and any other excesses which may apply (refer to page 13), and
- any other terms and conditions which apply to your policy.

Insured Events

This section sets out the events which this insurance policy provides cover for. It also describes what is not covered. In addition, there are General Exclusions which apply. These are described on pages 54-57.

If your schedule shows that you have Buildings or Buildings and Contents cover, your buildings are covered for loss or

damage caused by these events. For details of what is included as part of your buildings, please refer to page 30.

If your schedule shows that you have Contents or Building and Contents cover, your contents are covered for loss or damage caused by these events. For details of what is included as part of your contents, please refer to page 36.

Things you need to tell us

Notify us of changes

You must notify us as soon as possible if:

- any change is made to your buildings or contents which we insure and which might affect the nature of the risk covered by this policy,
- your building will be unoccupied for more than 60 days,
- you plan any building work, including any additions, renovations, alterations or modifications,
- you need to increase the sum insured of your building or your contents,
- you or your family are charged with or convicted of any criminal offences.

If you change your insurance details, we will confirm that we agree to the changes by issuing you a new schedule. You must pay us any additional premium if required.

Things you need to do

Regularly review the insurance value of your property

Remember that the most we will pay for any loss or damage is the sum insured. It is therefore important that the sum insured is sufficient to cover you for any loss or damage which occurs.

When you insure your property, you must decide on a sum insured which is adequate to cover the current replacement cost of your building and your contents. When your policy is renewed, we will automatically adjust the sum insured to account for inflationary trends. However, you may have made some changes to your building or bought additional contents items. You must therefore check your new schedule to ensure that the sum insured is adequate to cover the replacement cost of your property for the period of insurance shown on your renewal schedule. If you do not do this regularly, you may be under insured.

Pay your premium

You must ensure that your premium is paid when it is due. For details on your payment options, please refer to page 60.

If you set up a recurring payment, such as a direct debit, it is important to let us know if your bank or credit card details change.

Maintain and protect your property

You must at all times:

- maintain your building and keep your property in good repair,
- take all reasonable steps to protect your building and your contents from loss and damage,
- comply with all statutory obligations, government or local authority regulations and by-laws, and
- prevent or avoid bodily injury or damage to other people and their property.

If you do not, we may reduce or refuse your claim.

Proof of ownership and value

You must keep records as evidence of ownership and proof of the value of any items you claim for. This includes contracts of sale, valuations, receipts, credit card and bank statements, instruction manuals or photographs. Without this evidence, we may reduce or refuse to pay your claim.

Co-operate

You must:

- be truthful and frank in any statement you make to us
- not behave in a way that is improper, hostile, threatening, abusive or dangerous
- co-operate fully with us, even if we have already paid your claim which includes:
 - o providing us with all the information, documents and help we need to deal with your claim (for example, bank statements or phone records)
 - o immediately sending us any communications that you receive about any incident – for example, emails, letters, notices or court documents
 - o being interviewed by us or our representatives
 - o attending court to give evidence
 - o if there is a dispute about the repairs to your property.

Things you should know

Dangerous goods

If you keep or use any dangerous or hazardous goods or substances in your home or at the site you must comply with all relevant laws, by-laws and statutory regulations. Should you not do these things and it prejudices our interests, we will reduce any benefit under this policy by any additional amount we have had to pay because you did not comply.

Exclusions

There are a number of General Exclusions which apply to this insurance cover. These are set out on pages 54-57.

Changing your policy

We will advise you immediately in writing if we need to change a provision of your policy at any time during the period of insurance. Any changes that occur as of your renewal date will appear on your renewal schedule.

Joint policy holders

If more than one person takes out this insurance, the names of each will be shown on the schedule. Each of these joint policy holders has authority to make changes to this policy, including removing the name of the other, or to cancel it.

Interested parties

We cover only your interest in the insured property unless you specifically include cover for the interest of another party such as a financier or any other owner which you have told us about.

These details will be noted on your schedule. If a financier is noted on your schedule as an interested party, and we agree to settle your claim on a cash basis, we have the option of paying the financier in full or part settlement of your claim.

Notices

When we send you any written notice, it will take effect when it is delivered to your last postal address known to us.

Things we need to tell you

Your premium

How you can pay your premium

You can pay your premium:

- annually, in one amount using cheque, credit card, BPAY or direct debit, or
- in monthly instalments by direct debit or credit card.

If you pay one annual premium, the total premium will be lower than if you pay your premium in instalments.

Monthly direct debit payments

When you provide us with bank or credit card details to debit your instalment, you must ensure that you have the authority to use the nominated account. It is also your responsibility to ensure that sufficient funds are in the nominated account to meet each instalment.

If the instalment collection date falls on a non-business day, we will debit your bank account or credit card on the following business day. If there are insufficient funds, we will resubmit the debit within 15 days unless you request us to do so sooner or advise us of an alternate bank account or credit card to debit.

Unpaid premium

If you have chosen to pay your premium annually, your policy will not operate until you have paid your premium.

If you have chosen to pay your premium in instalments, and any instalment is not paid:

- we will not accept your claim if your instalment is more than 14 days overdue, and
- we may cancel the policy if your instalment is more than one month in arrears.

Cancelling

A cancellation fee may apply unless we advise differently.

If you cancel your policy

You may cancel your policy at any time by contacting us. We will cancel your policy when we receive your request or from a later date that you tell us.

If we cancel your policy

We may only cancel your policy where we are entitled to do so by law, including if you:

- failed to answer our questions truthfully and accurately,
- made a misrepresentation to us before the policy was issued,
- made a fraudulent claim,
- failed to pay your premium, or
- failed to comply with the terms and conditions of this policy.

If we cancel your policy, we will notify you in writing and all cover under the policy will stop at the time and date we tell you.

Return premium

If your policy is cancelled and you have paid an annual premium, we will return any premium you have paid for the period after the cancellation date, less any non-refundable government taxes and charges.

If your policy is cancelled and you are paying your premium in monthly instalments, there is no return of any part of an instalment you have paid. However, you will not have to pay any instalments which would have become due after the date of cancellation.

Renewing

We may automatically continue your cover by sending you a renewal notice at least 14 days before your policy expires. The renewal notice will show the terms and conditions, the period of insurance, any proposed alterations to your policy and the premium payable.

Unless we hear from you, your payments will continue in accordance with the payment option you selected when you first took out this insurance.

We may require you to pay an additional premium if you notify us of a claim that happened in the period between the time we calculate the renewal premium and the expiring period of insurance. The additional premium we require will be based on your revised claims history. The additional premium will not exceed the amount we would have requested had you notified us of your claim earlier.

Indexation protection

When we renew your policy, we will automatically adjust the sum insured for your buildings and your contents to account for inflationary trends. The new sum insured will be shown on your renewal schedule.

It is your responsibility to check that the sum insured is adequate to cover the replacement cost of your buildings and your contents. You can ask us to change the sum insured at any time.

GST

All the benefits listed in this policy include GST. Any claim settlements, up to the sum insured, will include GST. However, the amount we are liable to pay will be reduced by any input tax credit you are entitled to (if you are entitled to an input tax credit, you must tell us the extent of your entitlement).

CLAIMS

Having your property stolen or damaged is stressful. Our claims team is there to support you by guiding you through the claims process. If you do the following things they will be able to handle your claim as quickly as possible.

What to do

What to do	What not to do
Do everything you can to stop further loss or damage from happening.	Do not arrange or authorise any repairs, except if necessary to minimise or prevent further loss or damage. Do not arrange replacement of any property without our prior approval. In the event of fire damage, do not clean or remove debris from the damaged area without our prior approval.
Call the police immediately if the claim involves: <ul style="list-style-type: none">• theft or attempted theft, or• malicious acts or damage, or• impact by a vehicle, or• civil unrest. Give the police a list of items which have been stolen or damaged. Keep a record of the incident or report number.	
Telephone us on 1300 265 374 as soon as possible.	Do not delay in phoning us because it could disadvantage you.
Tell us if someone is holding you responsible for death or bodily injury to other people or for loss or damage to their property, or if you have received any demands or correspondence related to any such claim.	Do not admit that you are, or may have been, at fault or responsible for the incident. Do not make a promise or offer to pay anyone for anything. Do not delay in sending us any relevant documents you receive.
Keep any damaged property in case we need to inspect it. This includes delivering damaged items to us, if required.	Do not arrange any replacements or authorise any repairs. Do not dispose of any personal effects or property until we tell you that you can.
You may be required to let us or our representatives enter your home to assess the damage or investigate the cause of loss.	

The claims process

What you must do

To help us manage your claim, you must:

- Tell us everything about the loss or damage so that we can assess your claim. Also tell us if you believe that anyone has caused the loss or damage,
- If requested to do so, provide us with quotations for the repair or replacement of your buildings or contents,
- Allow us or our representatives to ask questions or conduct interviews. Provide written statements under oath, if required to do so,
- Allow us or our representatives to inspect your damaged buildings or contents,
- Allow us to take possession of your damaged buildings or contents or property involved in the claim,
- Provide valuations, receipts or other proof of ownership, if we request you to (refer page 58 for further information),
- If necessary, pay your excess when we tell you to (refer to page 68 for details on when to pay your excess),
- Tell us if there is any other insurance on the buildings or contents you are claiming for,
- Provide us with any information or assistance that we require to investigate and process your claim,
- Advise us of any communication you receive in connection with the claim, and of any court proceedings,
- Cooperate with us if we need to negotiate, defend or settle your claim. This might include giving evidence in court,
- Tell us about any input tax credits or other amounts you are entitled to, if you are registered for GST, and
- Pay to any financier the difference between our claim settlement amount, if we elect to pay the sum insured of your buildings, and the outstanding amount of your home loan.

What we will do

When you make a claim we will handle your claim in a fair, transparent and timely manner. If we have accepted your claim this means that:

If your claim is for loss or damage to your buildings

- We will obtain independent, competitive quotes from our recommended suppliers and repairers. You may also provide a quote from a supplier or repairer of your choice,
- We will determine the work that is necessary to repair or rebuild your building, and review the quotes,
- You may choose to make design or structural changes to your building. Any additional cost of such changes is your responsibility. If you choose to do so, we may at our option settle your claim by payment to you of the reasonable cost of repairing or rebuilding your buildings,
- We will decide whether the loss or damage can be repaired or whether to rebuild or pay the cost of rebuilding your buildings. We will pay up to the sum insured of your buildings or any lesser limit that applies, less any applicable excess,
- If we decide to repair or rebuild your buildings:
 - o we will choose the supplier or repairer who has provided the most complete and competitive quote,
 - o we will oversee the repair or building work and keep you informed of progress, and
 - o we will guarantee the quality of materials and workmanship of repairs that we authorise and arrange for the lifetime of your home,
- If we decide to pay the cost of rebuilding your building and your buildings are subject to a mortgage, we will pay the sum insured, less any excesses which may apply, to the financier. If the claim payment does not settle the amount owing to the financier, you must pay the difference or, if the claim payment exceeds the amount owing to the financier, we will pay the difference to you.

If your claim is for loss or damage to your contents

- We may arrange for an assessor to meet with you, to obtain the full details of your loss,
- We will discuss with you how best to make good the loss or damage,
- We will decide whether to repair or replace your contents, or pay the cost of repairing or replacing your contents. We will pay up to the sum insured of your contents or any lesser limit that applies, less any applicable excess,
- We will obtain independent, competitive quotes from our recommended suppliers and repairers. You may also provide a quote from a supplier or repairer of your choice,

- If we replace your contents and you choose items of a better type, standard or specification, any additional cost of such changes is your responsibility,
- We will determine what is necessary to repair or replace your contents, and review the quotes,
- We will choose the supplier or repairer who has provided the most complete and competitive quote, and
- We will arrange with the supplier or repairer to repair or replace your contents and keep you informed on progress.

For all claims

- The maximum amount we will pay is the sum insured plus any additional amount you are entitled to as defined under additional covers,
- When we settle your claim, we will reduce the amount we pay by the amount of the excesses shown on your schedule. The different excesses that may apply to your policy are explained on page 13,
- The amount that we pay will be based on GST inclusive costs. However, if you are, or would be, entitled to claim any input tax credits for the repair or rebuilding of your buildings or the repair or replacement of your contents, we will reduce any claim under the insurance by the amount of such input tax credits,
- We may retain your damaged property, materials or items and keep the proceeds of any salvage sale. If you prefer to keep your damaged property, materials or items, we will determine the salvage value and deduct this amount from any payment we make. You may not abandon any damaged property by leaving it with us,
- If you are held at fault for any claim against you, and we agree to do so, we will conduct the defence and/or settlement of any action brought about by other people,
- We will pay the legal costs associated with defending any claim against you, if we have told you so in writing and we have appointed the solicitors who will defend the claim, and
- If you withdraw your claim, or we refuse to accept it, you may have to refund to us any of our costs incurred in processing your claim, or payments we have already made to you, including any payments made to any other party on your behalf.

How your claim affects your policy

If your claim is for loss or damage to your buildings

- If we decide that the loss or damage to your building can be repaired, and:
 - o we decide to repair your building, or
 - o we decide to pay the cost of repairing your building, your policy will continue for the remainder of the period of cover. The sum insured will not be changed. There will be no change to your premium for the period of insurance.
- If we decide that the loss or damage to your building cannot be repaired, and we decide to rebuild your building, your policy will continue for the remainder of the period of cover. The sum insured will not be changed. There will be no change to your premium.
- If we decide that the loss or damage to your building cannot reasonably be repaired, and we decide to pay the cost of rebuilding your building, cover under your policy will cease as soon as we accept liability. Because we will have met our obligation to you under your policy in full:
 - o if you have paid an annual premium, we will not return any premium you have paid for the period after the date of loss or damage, or
 - o if you are paying your premium in monthly instalments, there is no return of any part of an instalment you have paid and we will deduct any remaining instalments from the amount we will pay.

In this case, you will need to take out new insurance cover for your replacement buildings.

If your claim is for loss or damage to your contents

- If we decide that the loss or damage to your contents is less than the sum insured of your contents, and we decide to
 - o repair or replace your contents, or
 - o pay the cost of repairing or replacing your contents, your policy will continue for the remainder of the period of insurance and the sum insured will be reinstated. There will be no change to your premium.
 You will need to take out new insurance cover if you replace your items.
- If we decide that the loss or damage to your contents is more than the sum insured of your contents, and we pay the sum insured of your contents, cover for your contents will cease under your policy as soon as we accept liability. Because we will have met our obligation to you in full:

- o if you have paid an annual premium, we will not return any premium you have paid for the period after the date of loss or damage, or
- o if you are paying your premium in monthly instalments, we will not return any part of any instalment you have paid and we will deduct any remaining instalments from the amount we pay to settle your claim.

You will need to take out new insurance cover for your replacement contents.

When to pay your excess

We may:

- require you to pay the excess before repair or replacement of property commences or to the supplier when your property is replaced, or to the repairer when your property is repaired,
- deduct the excess from any amount we pay to you, or
- request you to pay the excess at any other time.

Recovery actions

You agree that all of the provisions set out below under **Recovery action by us** and **Recovery action by you** apply where we cover you under the policy for some or all of the loss or damage you suffer in connection with an incident.

Recovery action by us

We may, if we choose to, take steps to recover from someone else we consider responsible for the incident:

- some or all of the loss or damage we cover; and/or
- some or all of the loss or damage which we do not cover, whether or not it is covered by another insurer or you do not have cover for it.

We may take such recovery action:

- without your consent;
- using your name; and
- whether or not you have been, or have a right to be, fully compensated for all of your loss or damage by us or anybody else.

Examples of recovery action we may take include:

- conducting legal proceedings using your name, including as an applicant or plaintiff in representative or group proceedings (commonly known as class actions);

- conducting legal proceedings on your behalf as a member of representative or group proceedings;
- taking over the conduct of legal proceedings started by you or on your behalf, including as an applicant or plaintiff in representative or group proceedings;
- exercising any statutory or contractual rights, including rights to opt-out, that you have in or in connection with representative or group proceedings; and/or
- entering into contracts in your name in relation to litigation funding or legal representation, including where entry into those agreements causes you to become a group member of representative or group proceedings.

We have in our discretion the right to decide upon the conduct and any settlement of any recovery action we take.

You consent to us taking such recovery action and exercising all the rights you have in connection with the loss or damage you have suffered in connection with the incident.

If we take recovery action in respect of some or all of the loss or damage which we do not cover, we may in our discretion require you to contribute to the costs we incur.

Of any amount recovered in recovery action we take, we first keep the amount we have paid, or must pay, you under the policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs we have incurred in taking the recovery action. We then pay you the amount of loss or damage for which you do not have any cover with us plus any interest recovered on that amount and costs you may have been required by us to contribute. Finally, we keep any remaining balance.

You must give us all the information and co-operation that we require to take the recovery action.

You must not do anything which prejudices us in taking any recovery action. For example, you must not:

- assign your rights to anyone else
- opt-out of any representative or group proceedings taken by us.

Recovery action by you

You may only take recovery action with our prior written consent and on conditions which we in our discretion impose.

You must have proper regard for our interests in respect of loss or damage that we cover.

You must seek to recover the loss or damage we cover in addition to any other loss or damage you have suffered in connection with the incident.

Of any amount recovered in recovery action you take, you first keep the amount of loss or damage for which you do not have any cover with us plus any interest recovered on that amount and any administrative and legal costs you have incurred in taking the recovery action. You then pay us the amount we have paid, or must pay, you under the policy plus interest recovered on that amount. Finally, you keep or pay any remaining balance in accordance with any other obligations you have.

You agree we may:

- take over the conduct of legal proceedings started by you or on your behalf, including where you are an applicant or plaintiff, or a group member, in representative or group proceedings; and
- require you to cease recovery action that you have commenced.
