Making a Claim

Claiming is Easy

We understand how important pets are. We've developed a simple claims process to ensure that You receive your benefit as quickly as possible.

The easiest way to claim is online. Simply upload a copy of the itemised invoice and the consultation notes from Your Vet visit at: coles.com.au/insurance

You can lodge claims online 24/7 365 days of the year, whenever is most convenient for you.

In some instances, your vet may be able to lodge a claim on your behalf with your permission.

Please note all claims should be submitted within 365 days of treatment. You should also read and comply with the general conditions and general claims conditions that form part of Your Policy.

We are always here to help. If You need to contact Us, We are available on 1300 333 738.

Supporting Information

You will need to provide relevant documents to Us in support of Your claim. We will tell you the information We need You to provide for each Part of Your Policy.

In order to be able to process Your claim, We will require all relevant itemised tax invoices, payment receipts and applicable consultation notes.

If You are submitting a claim for the first time, We may ask You to provide a full veterinary history from the attending Vet and any previous Vets who have treated Your Pet. Any delay in providing this information may result in a delay in processing Your claim.

We may directly contact Your attending Vet or any previous Vets who have treated Your Pet to seek information and clarification on Your claim.

> When You make the first claim for Your Pet, We may require Your Pet's full clinical history. The full clinical history is a record of all visits Your Pet has made to a Vet and this information will be obtained from each Veterinary Practice Your Pet has attended. We may also require additional information about Your Pet's full clinical history for certain conditions.

> When an invoice from Your Vet includes costs for the provision of services, procedures and/or Treatment for multiple conditions We may seek clarification from Your Vet in order to identify the costs relating to each condition, procedure or service performed in order to determine if multiple claims are required and calculate the amount You are Covered for and entitled to claim under Your Policy.

When We Finalise Your Claim

When We have finalised Your claim We will send You advice regarding the settlement of Your claim. The advice will provide the details of how Your claim has been settled.

Claims Involving Your Pet Being Injured by a Third Party

If Your Pet has been injured, killed, or requires humane euthanasia due to being injured by a person, another animal or by a vehicle, We may seek further information to assist Us in managing Your claim including:

- > circumstances of the incident;
- > contact details for other parties or witnesses;
- > digital evidence – e.g. phone and dash-cam videos; and
- > police reports or communication with other relevant authorities.

Introduction and Product Disclosure Statement

Please read this Product Disclosure Statement and if You are in doubt as to how it may affect You please contact Us and ask for an explanation.

Applying for Cover with Us

Prior to this Policy coming into effect You have provided Us with information in support of Your request for Cover with Us. The information that You have provided to Us is referred to as Your Application for this Policy and the information You have provided is set out on the Schedule and the addendum attached to the Schedule.

It is a condition of this Policy that You ensure the information provided to Us is accurate and that You have complied with Your duty of disclosure. We have relied on Your Application to decide whether to issue this Policy, including all associated terms and conditions.

When You have paid the Premium, or agreed to pay the Premium, We will issue You with a Schedule, an addendum to the Schedule and this policy-booklet. If payment of the Premium as stated on the Schedule is not made then there is no Cover provided under this Policy.

Your Policy

Your Policy consists of:

- > the Policy wording;
- > a Schedule and an addendum attached to the Schedule; and
- > other documentation indicating a change to Your Policy, including Endorsements.

The Policy wording, together with the Schedule and the addendum attached to the Schedule, form the legal contract of insurance between You and Us.

This policy-booklet consists of:

- > the Product Disclosure Statement and other important information that You need to know before You take out a Policy with Us. This important information applies either to all Parts or to certain Parts of this Policy; and
- > the Policy wording, which forms part of Your legal contract with Us and tells You:
 - > what Your Policy Covers;
 - > what Your Policy does not Cover;
 - > Excesses that apply to claims under this Policy; and
 - > conditions that relate to Your Cover and to claims You may make under this Policy.

The Schedule will state the details of the insurance Cover which You have selected and which are particular to You and includes any Endorsement that changes or limits the Cover stated in the Policy wording.

When We change Your Policy details during the Period of Cover We will send You a new Schedule. This Schedule will be titled 'Policy Change' and will contain details of the Endorsement to Your Policy.

We will also provide You with a new Schedule at each renewal of Your Policy Cover. We will only provide insurance Cover for the Period of Cover stated on the Schedule.

Please read this policy-booklet together with the Schedule, the addendum attached to the Schedule and any accompanying documents carefully and keep them in a safe place for future reference.

Your Policy Renewal

Prior to each anniversary date of this Policy We will send You a notice to advise You that Your Policy Cover will expire on the anniversary date.

If We invite continuation of this Policy beyond the anniversary date We will send You a renewal invitation. That invitation will be in the form of a Schedule similar to the one We provided to You at the start of Your insurance Cover with Us. Your Schedule will set out the terms and conditions of Cover and the Premium for the next Period of Cover.

We will also provide You with a copy of the addendum to Your Schedule from either the commencement of this Policy or from the last renewal of this Policy, whichever is the later. We will ask You to check the information contained in the addendum to make sure the information which You have previously provided to Us, and which We have relied upon to provide Cover to You, has not changed. You will be asked to advise Us of any changes to the information contained in the addendum. It is important that You advise Us of any changes to that information as We will rely on that information to offer You renewal of this Policy.

Your failure to advise Us of any change to the information contained in any addendum may breach Your duty of disclosure to Us and may subsequently affect the Cover under this Policy in a significant way.

The renewal invitation may contain changes to Your Cover and, if so, those changes will apply to the following Period of Cover. Your payment of the renewal Premium will signify Your acceptance of those changes to Your Cover.

For example, We may change the terms and conditions of the Policy to reflect changes to the risk associated with insuring Your Pet based on factors such as Your Pet's age, Home, medical history, and changes We may make to the level of Cover. Your renewal Premium may also reflect any change in circumstances.

Complaints and Disputes Resolution

We work hard at building strong relationships with Our customers. However, complaints and disputes may still arise and when that happens Our objective is to resolve any disagreement as amicably and quickly as possible.

We have a formal complaints and dispute resolution process that is fair, efficient and accessible to all Our customers. This service is free of charge to You. Please do not hesitate to contact Us should You have any matter which You feel has not been satisfactorily resolved.

If Your complaint cannot be resolved You can request that the matter be referred to Our Dispute Resolution Panel who will endeavour to resolve it through Our internal dispute resolution process.

If Our internal dispute resolution facility is unable to resolve Your dispute and You wish to take the matter further, We will provide You with information regarding a free external and independent dispute resolution service or other external dispute resolution options that may be available to You. Alternatively, You may seek independent legal advice at Your own expense.

Cooling-off Period

If this Policy does not meet Your needs then You may cancel it within twenty-one (21) days of the commencement of Cover by notifying Us. You will receive a refund of the Premium You have paid unless You have made or are entitled to make a claim under this Policy.

You still have cancellation rights after this cooling-off period ends and these rights are set out in the general conditions of this Policy.

General Insurance Code of Practice

We are a signatory to and fully support the General Insurance Code of Practice. The objectives of this Code are to commit insurers and the professionals they rely upon to higher standards of customer service.

Please contact Us if You would like further information about the Code of Practice. Alternatively, You can view the Code of Practice at codeofpractice.com.au.

How We Calculate Your Premium

We use a range of factors to calculate Your Premium. The following table shows some of the key factors that affect Your Premium.

When You change or renew Your Policy We review Your Premium taking into consideration any relevant changes in Your circumstances.

Premium Factors	
Species Breed Age Gender Neutered/Spayed	Each breed of Pet is prone to a range of different health conditions that will change over their lifetime.
Location	Where Your Pet is located will impact on the cost of providing Cover under Your Policy. Some conditions are more likely to occur in different areas and the cost of treatments can differ by location.
Number of Pets	We may provide a discount where multiple Pets are insured under Your Policy.
Claims Experience	We recognise that healthy Pets deserve recognition and may adjust Your Premium on renewal to reflect claims made against Your Policy.
Other Factors	The level of Cover; Our claims experience; and events that impact the insurance industry may all impact the Premium.

Significant Features and Benefits

Coles Pet Insurance is designed to help Pet owners manage the unexpected financial risks associated with ownership of their Pets.

The Policy does not Cover every circumstance or expense and We have certain terms, conditions, exclusions and limitations that are designed to help keep Premiums low.

Your Policy Covers have been selected to provide

You with protection against large and unexpected Treatment costs.

This includes broad coverage for Accidental Injuries and Cover for a list of specified Illnesses as described in Part A and Part B of this Policy. Limits apply to some conditions, Treatments or types of injuries and illnesses.

A summary of significant features and benefits is set out below. For the full details of Your Cover You should read the entire Policy.

Summary	
Accidental Injury	Where Your Pet sustains an Accidental Injury Covered under Part A of this Policy You are Covered for the cost of Vet Fees for Treatments provided by Your Vet during the Period of Cover.
Illness	Where Your Pet develops one of the specified Illnesses listed as Covered in the Policy under Part B, You are Covered for the cost of Vet Fees for Treatments provided by Your Vet during the Period of Cover.
Hospitalisation	Your Pet is covered for the cost of hospitalisation where required for the Treatment of any conditions Covered under this Policy.
Essential Euthanasia (Additional)	We will pay the Vet costs to euthanise Your Pet if a Vet decides it is essential due to an Accidental Injury or an Illness Covered under this Policy.
Waiting Periods	Waiting Periods apply to most claims under this Policy. We do not pay for claims that arise before Your Cover commenced. Any conditions arising during the Waiting Period will not be eligible for Cover. Waiting Periods are shown on Your Schedule.
Excess	An Excess will apply to most claims made under Your Policy. Your Excess is shown on Your Schedule.
Benefit Limit	We pay up to a total of \$10,000 for all claims, per Pet, in any one Period of Cover. If the limit is reached, We will not make any more payments until Your Policy is renewed. When Your Policy is renewed the limit will be available again for Treatment provided in the new Period of Cover.
Sub-Limits	In any one Period of Cover We limit the total amount We will pay for claims for the following conditions, Treatments or types of Accidental Injury or illness for each Pet: <ul style="list-style-type: none"> > Cruciate Ligament – \$3,000; > Tick Paralysis – \$2,500; > Ingestion of Foreign Objects – a maximum of one incident per Pet; > Essential Euthanasia – \$500.

Premium Factors

Multi Pet Discount	You may receive a discount where multiple Pets are included on Your Policy.
Healthy Pet Discount	We recognise that healthy Pets deserve recognition and may adjust Your Premium on renewal to reflect claims made against Your Policy.
Specific Treatments not Covered	<p>The general exclusions to this Policy state what is not Covered by Your Policy. You should read the general exclusions to make sure the Cover provided under this Policy meets Your needs.</p> <p>For example, there are some Treatments that will not be Covered under this Policy, including:</p> <ul style="list-style-type: none"> > General Consultations; > Dental treatment; > Alternative or Complimentary Treatment; > Elective Treatment; and > Preventative Treatment.
Prior Injury or Health Conditions not Covered	Your Policy has been designed to Cover Accidental Injuries and Illnesses that arise during the Period of Cover. It does not Cover any changes that You or Your Vet notice in Your Pet's health before Cover under this Policy commences, or any illness or injury that develop from those changes.
Bilateral Conditions and Related Conditions	Some conditions faced by Your Pet can spread from one body part to another, for example a skin condition on the back can spread to the stomach: these are considered Related Conditions. In other cases, the existence of one condition can lead to a higher chance of a similar condition in an opposing body part, such as a cruciate ligament problem with the left knee which is followed by similar condition in the right knee: these are considered Bilateral Conditions. Where a condition presents before Cover commences, or during a Waiting Period, all Related Conditions and Bilateral Conditions would be excluded from future Cover. If Your Pet is fit and healthy, with no existing injury or illness when Cover under Your Policy commences, then Cover would be available with no exclusions for Pre-existing, Bilateral Conditions or Related Conditions for the lifetime of Your Pet.
Care of Your Pet	It is a requirement of this Policy that You act in the best interests of Your Pet. This includes provision of proper maintenance and preventative care, as well as prevention and appropriate ongoing management of any injury or illness after it occurs in line with advice from Your veterinarian; not doing so may jeopardise Your ability to make a claim.
Lifetime Care Renewal Guarantee	Your Policy provides a lifetime care renewal guarantee. This means that You can continue to claim for ongoing Treatment of conditions covered by Your Policy provided You renew Your Policy each year.
Premium Increases as Your Pet Grows Older	Cats and dogs, like humans, are more prone to illness as they get older and their likelihood of needing treatment increases. This means that Your insurance Premium is likely to increase each year as Your Pet gets older.

Your Duty of Disclosure

Before You enter into an insurance contract, You have a duty of disclosure under the Insurance Contracts Act 1984.

If We ask You questions that are relevant to Our decision to insure You and on what terms, You are required to tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell Us anything that:

- > reduces the risk We insure You for; or
- > is common knowledge; or
- > We know or should know as an insurer; or
- > We waive Your duty to tell Us about.

If You Do Not Tell Us Something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

Important Information

The following important information applies to all Parts of this Policy. Please read this information carefully and if You are in any doubt as to how this information may affect You please contact Us and ask for an explanation.

Alteration of Risk

This Policy Covers You as You have represented Yourself to Us. It is important for You to advise Us immediately of any changes to Your circumstances that may result in an increased risk of an incident that may cause harm to Your Pet.

In particular, We need You to advise of any change that involves:

- > a change to Your Home address or the address where Your Pet normally lives if Your Pet no longer lives with You at Your Home;
- > the ownership of Your Pet; or
- > Your Pet being de-sexed.

We have relied on all of this information to provide Cover under this Policy and the terms and conditions on which We provide that Cover.

When We receive Your notification of a change We may:

- > adjust the Premium or terms of this Policy; or
- > cancel this Policy, in accordance with the provisions of the Insurance Contracts Act 1984 should We not wish to continue with this insurance.

Claims Happening or Treatment Provided Outside of Australia

There is no Cover under this Policy for:

- a. claims arising from any Accidental Injury or Illness occurring outside of Australia; or
- b. Treatment provided to Your Pet outside of Australia.

Commencement of Cover and Cover Limitations

Commencement of Cover

The Cover provided under this Policy does not commence until We have accepted Your Application or We have otherwise confirmed We have accepted Your insurance and You have paid the Premium to Us.

Your Policy commencement date can be found on Your Schedule.

Cover Limitations

The Policy contains exclusions to Your Cover and You should read the Policy wording in each Part and in the general exclusions of this Policy to understand what is not Covered and to satisfy Yourself that this Policy meets Your needs for Cover for Your Pet.

In particular:

Part A – Accidental Injury

Most injuries are Covered under Part A – Accidental Injury. We tell You those accidents or injuries We do not Cover.

You should read Part A – Accidental Injury and the definition of 'Accidental Injury under 'General Definitions' to make sure this Cover meets Your needs and familiarise Yourself with the relevant Waiting Periods accordingly.

Part B – Illness

We specify the illnesses that You are Covered for and these are shown in Part B – Illness. We only Cover You for those specified illnesses.

You should read Part B – Illness and the definition of 'Illness' under 'General Definitions' to make sure the Cover meets Your needs.

Alternative or Complimentary Treatment

We will not Cover You for any expense incurred in respect of Alternative or Complimentary Treatment (as defined in this Policy) being provided to Your Pet.

You should refer to the definition of 'Alternative or Complimentary Treatment' under 'General Definitions' for details of treatments We do not Cover.

Bilateral Conditions

We define a 'Bilateral Condition' to mean any condition affecting body parts of which Your Pet has at least two: one each side of the body (e.g. ears, eyes, knees, cruciate ligaments).

When applying a Policy exclusion, a Bilateral Condition will be considered a single condition.

Related Conditions

We define 'Related Conditions' to mean any conditions that have the same clinical signs, diagnostic classification or results from the same disease process.

When applying a Policy exclusion, Related Conditions will be considered a single condition.

Pre-existing Conditions

We will not Cover You for the cost of any Treatment for a Pre-existing Condition.

We define a 'Pre-existing Condition' to mean an injury or illness occurring or existing prior to the commencement of Cover under this Policy, or within the Waiting Period, that You or Your Vet were aware of or should reasonably have been aware of.

Any Bilateral Condition or Related Condition will also be considered a Pre-existing Condition.

For example:

> if Your Pet shows signs of a cruciate ligament issue in the left leg prior to commencement of Cover under this Policy or within the Waiting Period, that issue will be considered a Pre-existing Condition and all treatment provided for that issue will not be Covered; and

> any treatment for a subsequent cruciate ligament issue in the opposing right leg would be considered a Bilateral Condition and also excluded from Your Cover for future treatment.

Accidents that occur after the commencement of Cover, and relevant Waiting Periods have been served, will not be considered a Pre-existing Condition.

Where it can be demonstrated that a Pre-existing Condition is fully cured and is no longer relevant to the ongoing health of Your Pet that condition will no longer be excluded from Cover for any future Treatment.

For example:

> where Your Pet has shown signs of cancer prior to commencement of Cover under this Policy or within the Waiting Period, that condition will be considered a Pre-existing Condition and all treatment provided for that issue will not be Covered. Once that cancer has been successfully treated and complete remission evidenced, including no ongoing treatment or medication for at least 30-months, any subsequent incidence of cancer would no longer be considered a Pre-existing Condition.

Waiting Periods

A Waiting Period applies to most Accidental Injuries and Illnesses Covered under Your Policy.

If Your Pet sustains an injury or first shows signs of an illness at any time in the Waiting Period then it will be considered

a Pre-existing Condition and We will not Cover any costs relating to that injury or illness no matter when those costs are incurred by You.

The specific Waiting Periods are shown in Your Policy or on Your Schedule.

> Generally, Waiting Periods are twenty-one (21) days for most Accidental Injuries or Illnesses.

> For some Accidental Injuries We waive the Waiting Period completely (see Table 1, page 16).

> For a cruciate ligament condition the Waiting Period is six (6) months.

Your Cover - Benefit Limit

The Benefit Limit specified on your Schedule represents the maximum amount You are Covered for in respect to all the claims you make in any one Period of Cover per Pet. Any expenses You incur above the Benefit Limit during the same Period of Cover will not be Covered.

Your Cover - Sub-Limits

There are Parts of Your Cover that have a particular benefit limit. We call this a Cover sub-limit.

If a sub-limit for a particular item, condition or Treatment is stated on the Schedule or elsewhere in Your Policy, We will not pay more than that amount in total for that item, condition or Treatment in any one Period of Cover per Pet (subject to the Benefit Limit having not been exceeded).

For example:

> The maximum We will pay for the treatment of cruciate ligament conditions in any one Period of Cover is \$3,000 whether this cost arises from one or multiple claims during that Period of Cover.

There are other parts of Your Cover where a particular limit may apply. You should read the Policy Cover to ensure the Cover provided meets Your needs.

Costs Incurred Prior to Commencement of Cover or During the Waiting Period

Your Policy does not Cover costs incurred in respect of an Accidental Injury or Illness that occurred or existed, that You or Your Vet were aware of, or should reasonably have been aware of, before Your Pet's Cover under this Policy first commenced or before the completion of any Waiting Periods stated in Your Policy or on Your Policy Schedule.

Costs Incurred After the Period of Cover Expires

If You continue to incur expenses beyond the Period of Cover in which Your Pet sustains the Accidental Injury or Illness You will only be Covered for those expenses if You have renewed Your Policy with Us.

Commission

We pay interested parties and Our referral Partners up to 20% (twenty per-cent) of Your Premium (exclusive of government charges), in total no more than 25% (twenty-five per-cent).

Excess

An Excess may apply to each claim under this Policy. The amount of any Excess applicable is stated on the Schedule.

We will deduct the amount of any Excess from Your claim before any Benefit Limit or Sub-limit is applied.

Your Excess is only applied once per claim even if You claim under more than one Part of Your Policy.

Where You claim for an ongoing condition over multiple Periods of Cover only a single Excess will be applied.

You should read the section How We Settle Your Claim to make sure the Cover meets Your needs.

Interests of Other Parties

This Policy will only Cover the insurable interest of the person stated on the Schedule unless otherwise specifically Covered under any Part of this Policy.

Lifetime Care - Renewal Guarantee

Your Pet has lifetime Care renewal guarantee under Your Coles Pet Insurance Policy.

This means You can continue to claim under this Policy for Your Pet's Treatment for a Covered Illness or an Accidental Injury throughout Your Pet's lifetime provided You renew the Policy annually without a break in Cover, while Guild continues to issue Accident and Illness cover for Pets.

Cats and dogs, like humans, are more prone to illness as they get older and their likelihood of needing treatment increases. This means that Your insurance Premium is likely to increase each year as Your Pet gets older.

Premiums

Your Premium will be subject to the inclusion of:

> GST in accordance with relevant taxation legislation; and

> stamp duty as imposed by the relevant legislation of each Australian State or Territory.

When You change or renew Your Policy, We review Your Premium and increase or decrease it in line with any relevant changes to these factors.

Premium Payments by Instalments

When You pay Your Premium by instalments, then:

> if an instalment Premium payment is overdue for a period exceeding fourteen (14) days We will refuse to pay any claim under this Policy arising from an event happening after the due date of the instalment Premium; and

> if an instalment Premium payment is overdue for a period exceeding one (1) calendar month We will cancel this Policy without notice to You.

Waiver of Rights and Our Right to Recovery

Waiver of Rights

No provision of this Policy, either in whole or in part, shall be considered to have been waived by Us unless the provision is expressly stated in writing to be waived by Us.

Preventing Our Right to Recovery

If You have agreed not to seek compensation from another person who is liable to compensate You for any Loss, damage or liability which is Covered under this Policy We may not Cover You under this Policy for that Loss, damage or liability.

How We Settle Your Claim

Accidental Injury and Illness Cover

We pay 100% of approved claim costs, less any relevant Excess, up to the annual limit for claims (unless a sub-limit applies) under Your Policy. The Benefit Limit of \$10,000 is the maximum We will pay for each Pet in the Period of Cover.

For example:

Where Your Vet Fees for any one claim are: **\$1,200**

and assuming We approve Your Vet Fees in full, then after deducting Your Policy Excess: **\$200**

We will pay You: **\$1,000**

and You will still have \$9,000 of Your Benefit Limit available for any future claims in that same Period of Cover. In the event that a claim is subject to a sub-limit, as stated on Your Schedule, then the sub-limit is the maximum We will pay for claims of that type for each Pet in that same Period of Cover.

Additional Benefits

Under the additional benefit Essential Euthanasia we pay 100% of approved claim costs up to the sub-limit. You don't need to pay any Excess under this Cover.

Claim Considerations

What We pay for Your claim is based on factors such as the following:

- > whether Your Policy provides Cover for the injury, illness or treatment Your Pet receives;
- > whether the Vet Fees incurred were required and are reasonable;
- > whether an Excess applies;
- > whether any sub-limit applies;
- > the Benefit Limit that applies; and
- > exclusions, general conditions and general claims conditions that apply to Your Cover.

Your Policy

This policy-booklet together with the Schedule We provide to You and the addendum to the Schedule and any Endorsement form Your insurance Policy with Us.

Our Agreement with You

We agree to provide You with the Cover set out in each of the Policy Parts which are stated on the Schedule.

The Cover is in force for the Period of Cover stated on the Schedule.

You have paid or agreed to pay Us the Premium set out on the Schedule for the Period of Cover.

Definitions, Exclusions, General Conditions and Claims Conditions

The following:

- a.** general exclusions;
- b.** general conditions;
- c.** general claims conditions; and
- d.** general definitions;

will apply to this Policy in addition to the more specific definitions, exclusions or conditions appearing in any Part of this Policy.

In the event of any inconsistency between these general definitions, general exclusions, general conditions and general claims conditions and those appearing in any Part of this Policy, then those appearing in the relevant Part of this Policy will apply.

Payments You Make to Your Vet or Veterinary Practice

If the Vet or Veterinary Practice provides a discount for paying the cost of Treatment within a certain timeframe, it is a condition of this Policy that You provide payment within this timeframe. If You do not, We will deduct the discount, which would have been provided, from the claim settlement.

We require fully itemised invoices for each and every payment We are required to make in respect of any claim under this Policy.

Provided that:

- a.** if We receive a request to pay the claim settlement direct to Your Vet or Veterinary Practice We reserve the right to decline this request, however we will not unreasonably do so;

Treatment

Additional Opinion

If You decide to take Your Pet to a different Vet for an additional opinion because You are unhappy with the diagnosis or Treatment provided, then:

- a. You need to tell Us before You arrange an appointment with the new Vet. If You do not, We will not pay any costs relating to the additional opinion;
- b. if We request, it is a condition of this Policy that You use an independent and mutually agreed Veterinary Consultant;
- c. if We decide the diagnosis or Treatment currently being provided is correct We will not pay any costs of any Treatment or other service provided in respect of Your Pet arising from or relating to the additional opinion;
- d. if We consider the obtaining of an additional opinion is warranted in a particular matter We may refer Your Pet's case history to the agreed Veterinary Consultant and if We request You are required to arrange for Your Pet to be examined by the Veterinary Consultant. In such instances We will pay for:
 - i. the cost of the examination by the Veterinary Consultant; and
 - ii. the necessary and reasonable expenses incurred by You with Our prior written consent for You, or someone acting on Your behalf, to attend the appointment with Your Pet.

Ongoing Treatment

If, over the lifetime of Your Pet, You have claimed substantial amounts under this Policy in respect of Your Pet's health then, to make sure Your Pet is receiving the best treatment available, We may require the following:

- a. before any further claims for Vet Fees can be considered by Us We may require Your Pet to be examined by an independent and mutually agreed Veterinary Consultant.

- > all future Vet Treatment (other than emergency life- saving treatment) may need to be authorised by Us before Treatment is carried out; and
- > all such further Treatment may need to be carried out in conjunction with the agreed Veterinary Consultant.

If this becomes necessary, We will contact You prior to taking any action.

Your refusal or failure to cooperate with Us or with the agreed Veterinary Consultant in attending the examination or following a recommended course of Treatment aimed at improving Your Pet's health may result in Our refusal to pay for any further Treatment costs.

Over-Treatment

When We consider the Vet Treatment Your Pet receives may not be required, or may be excessive when compared with the Treatment normally recommended to treat the same Accidental Injury or Illness by general or referral Veterinary Practices, We reserve the right to request an additional opinion from an independent and mutually agreed Veterinary Consultant.

If the Veterinary Consultant does not agree that the Vet Treatment provided is reasonably required We may decide to pay only the cost of the Vet Treatment that was necessary to treat the Accidental Injury or Illness as advised by the Veterinary Consultant from whom We have received the additional opinion.

Fees and Costs

If the fees or costs charged by Your Vet or any other service provider are charged at a level higher than the fees normally charged by a general Veterinary Practice, referral practice or similar service provider, We reserve the right to request an additional opinion from an independent and mutually agreed Veterinary Consultant, or similar service provider, as to whether the fees are reasonable.

In the event the Veterinarian Consultant or service provider does not agree that the Vet Fees or other costs charged are reasonable We may decide to pay only the Vet Fees or other fees usually charged by a general or referral practice or a similar service provider in a similar area.

Appointment of Veterinary Consultant

It is a requirement that you cooperate with Us in the selection and appointment of an independent Veterinary Consultant. Failure to identify a mutually agreed Veterinary Consultant may result in:

- > Our appointment of a Veterinary Consultant; or
- > refusal to pay for any further Treatment costs.
