## THE COVER

Below is a summary of the benefits We provide and their maximum limits.

Benefits table		Maximum limit per person
1	Ticket Protection	\$10,000
2	Luggage and Travel Documents	\$2,000*

It's important to note that Section 1 Ticket Protection of this policy covers domestic flights booked with flybuys Travel ([flybuystravel.com.au](http://flybuystravel.com.au)) in the same transaction as this policy only.

**Please read the PDS carefully to understand what this policy covers. Importantly, please note that conditions, exclusions, limits and sub-limits apply.**

### Your belongings

When You're at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings. If You do not take good care of Your belongings We may not be able to pay Your claim. Not all belongings are covered by the policy.

#### What does this mean?

- Keep Valuables with You rather than checking them in with the Transport Provider.
- Do not leave Valuables in a motor vehicle at any time.

**"Valuables"** means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including but not limited to devices such as drones, computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.

- A maximum limit of \$2,000 applies to all other items (i.e. not Valuables) left in a locked motor vehicle as long as they are in a Concealed Storage Compartment. Also, don't leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if Your items were lost or stolen when travelling with an airline.

### \*Luggage item limit

There is an item limit of \$300 which is the maximum amount You can claim for any one item, set or pair of items (including attached and unattached accessories), after taking into account reasonable depreciation. See pages 12-13 for depreciation rates and an example of how a claim is worked out.

### Policy excess

This policy has a \$50 excess. The excess will be shown on Your Certificate of Insurance. Other excess amounts may be available.

The excess is the amount You need to pay towards a claim and applies to any claim arising from a separate event.

### Money back guarantee

If You cancel this policy for any reason within the cooling off period which is within 14 days of the date of purchase, We will give You Your money back.

Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact Customer Service within the cooling off period.

### When will I hear back about the claim?

We try to process claims as quickly as possible.

We may approve and settle, investigate or decline the claim or request further information. In any case, You will hear back within 10 working days from the time We receive Your claim or each time We receive further information on it.

#### When You book a trip, You expect to be going on it.

Travel insurance is designed to protect You from the unforeseen and the unexpected.

Sometimes things happen before You even depart—unavoidable things that mean You need to amend or even cancel Your trip. And because We believe that travel insurance policies should be clear and readily understood, here are some general points on how to make sure You can provide Us with the documents We require if You need to cancel Your trip and make a claim for cancellation or early return costs.

For all health related claims, We will always need the patient's usual GP to complete Our claim form medical certificate and certify unfitness to travel or the need to look after someone.

For a new mental health condition, in addition to the above, referral to and a diagnosis made by a Registered Psychologist or Psychiatrist is required.

We're not saying the GP can't be the first port-of-call but We need specialist certification of unfitness to travel or the need to look after someone. It's the same type of thing as having a heart condition where the GP would refer to a heart specialist.

In all cases, if We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

## General Insurance Code of Practice

We are signatories to the General Insurance Code of Practice (Code), which was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry. To obtain more information on the Code and the rights You may have under it please contact Us or [visitcodeofpractice.com.au](http://visitcodeofpractice.com.au).

## The amount You pay for this insurance

You can obtain a quote from the providing entity. The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as Goods and Services Tax (GST) and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance. If You wish to change Your policy in any way please contact Customer Service.

## How various factors affect the amount You pay

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

The following is a guide on how these factors combine together and impact the assessment of risk, and therefore Your premium.

- Area – higher risk areas cost more.
- Departure date and trip duration – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- Age – higher risk age groups cost more.

## Cancelling Your policy

If You cancel Your policy within a cooling-off period of 14 days after You are issued Your Certificate of Insurance, You will be given a full refund of the premium You paid, provided You have not started Your Journey or You do not want to make a claim or exercise any other right under Your cover.

After this period You can still cancel Your policy. We will refund to You a proportion of the premium for the unexpired period of cover (less any non-refundable government charges and taxes that We have paid and are not recoverable). You are not entitled to a refund if You have started Your Journey, You want to make a claim, or exercise any other right under Your cover.

To cancel Your cover please call 1300 315 654 or email [enquiries@flybuysttravel.com.au](mailto:enquiries@flybuysttravel.com.au).

## How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- maximum benefit limits and sub-limits;
- reasonable depreciation; and
- the terms and conditions of the policy.

The following example illustrates how We will calculate claim settlement:

- Your new camera purchased for \$500 is stolen from a hotel room.
- The policy has an excess of \$50.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the video camera – \$500 (no depreciation applies because the video camera was new).
- Consider the maximum benefit limit for Luggage and Travel Documents – \$2,000.
- Consider the maximum item limit – \$300. The item limit applies in this case.
- Consider the excess. The \$50 excess is applied. This results in a claim settlement of \$250 or if possible, We may replace the item.

**SECTION 2: Luggage and Travel Documents**

**1. Loss, theft or damage**

If during the Period Of Insurance Your luggage or personal effects are lost, stolen or damaged, after deducting reasonable depreciation (where applicable and as determined by Us) We will replace, provide a replacement voucher, repair or pay You the monetary value of the item. This policy is an indemnity policy which means settlement of Your claim is based on the value of an item at the time of the loss and not on a 'new for old' or replacement cost basis. Reasonable depreciation takes into account the amount paid originally for the item, its age, wear and tear and advances in technology.

Items	Depreciation	
	Deduction for each month of age of the item at the time of loss	Maximum deduction
All other items (not including jewellery)	1.50%	60%
Phones, electrical devices, communication devices, all computers, photographic equipment, tablets, electronics equipment	2.50%	60%

Our payment will not exceed the original purchase price of an item with a limit for any one item, set or pair of items including attached and unattached accessories of \$300.
