

# Coles Little Athletics Community Fund

## Round 8 - Guidelines

### 1. Background

Little Athletics Australia (Incorporated) (**LAA**) and Coles Supermarkets Australia Pty Ltd (**Coles**) have set up the Coles Little Athletics Community Fund (**CLACF**). The CLACF was created for the purpose of administering donations from Coles to LAA to be sourced from the proceeds of the sale of specially-marked reusable bags sold at Coles' supermarkets (until August 2022), funds raised from the Coles Banana A-Peel campaign and ad-hoc donations. These funds will be used to support affiliated community Little Athletics clubs / centres across Australia (**LAA Centres**).

The CLACF (Round 8) will be funded from funds raised during the Coles Banana A-Peel campaign with 10 cents of every kilogram of Cavendish bananas sold at Coles' supermarkets between 3 May to 9 May 2023 going to the CLACF. Coles may also make ad-hoc donations to the CLACF.

In accordance with the Coles Little Athletics Community Fund Agreement (**Agreement**), LAA will be paid the funds in the CLACF, which will be distributed to LAA Centres in accordance with these Guidelines.

### 2. Purpose

LAA will distribute funds from the CLACF to LAA Centres whose applications are approved by the Coles Little Athletics Community Fund Panel (**Panel**), to help improve the Little Athletics experience for volunteers, participants and families by providing money to support the purchase of sports, safety and volunteering equipment.

### 3. The Coles Little Athletics Community Fund

#### (a) Panel

The CLACF will be overseen by the Panel, which will include two nominees from LAA and two nominees from Coles, one who will also be the Chair of the Panel (**Panel Members**). Due to the federated governance model of LAA, relevant Little Athletics State and Territory body representatives may be required for additional input from time to time.

Panel Members will not be paid for their services and any expenses incurred by Panel Members in carrying out their duties will not be reimbursed by the CLACF.

If a Panel Member resigns or is otherwise unable to continue as the nominee of the nominating organisation, the nominating organisation may replace the nominee with a suitable representative.

The Chair's main task will be to ensure meetings are conducted in an orderly manner with appropriate fairness and equity for all members of the Panel.

#### (b) Funding Rounds

The Panel will determine the timing and frequency of 'funding rounds' which are the processes of inviting applications from eligible applicants (as defined in these Guidelines) and making the decision to provide funds in response to those applications.

There may be multiple rounds of funding available throughout the term of the Agreement.

#### (c) Meetings

The Panel will meet as required depending on the timing of funding rounds (**Panel Meeting**). The Panel Meetings will have the following core functions:

- (i) to review and approve applications for funding made by LAA Centres to the CLACF in accordance with the criteria in these Guidelines; and
- (ii) to monitor the progress of approved applications.

The Chair is to notify all Panel Members of the time and date of each Panel Meeting at least 14 days in advance of each Panel Meeting.

Panel Members may attend Panel Meetings in person or by teleconference.

The Panel can meet at other times where necessary as determined by the Chair or at the request of at least two members of the Panel.

A quorum for the Panel is three members.

In the event of an equality of votes, the Chair of the Panel shall have a casting vote.

Applications will be reviewed by the Panel after the close of applications, with a decision on the successful applicants to be made within 30 days. Specific centre notification dates will be shared on the Coles website for each round.

It is not necessary for an application to meet all of the criteria and in some circumstances, greater emphasis may be applied to one criterion over another, at the discretion of the Panel.

The Panel will assess applications to the CLACF according to the level of benefit the grant will make to the applicant's participants and volunteers.

Unsuccessful applicants are eligible to re-apply in future rounds. Unsuccessful applicants can re-submit their existing application or prepare a new application.

### (f) Limits on Funding

The maximum allocation per application is \$5000 and the minimum allocation per application is \$1000 unless the Panel otherwise approves an alternative amount.

### **(g) Additional Information**

Applications will be judged on the merits of their proposal and the information contained in the written application form. However, as a part of the CLACF evaluation process, the Panel may require CLACF applicants to provide additional information, which may be provided in writing, via teleconference or in person at a Panel Meeting.

### **5. Confidentiality**

Applications to the CLACF will be treated in confidence. Applications will be restricted to the Panel and any person engaged by the Panel to assist with the assessment of applications.

Information from applications in a consolidated, unidentifiable form may be used for the purposes of promotion of the CLACF.

### **6. Integrity**

Members of the Panel will be required to declare any relationship or familiarity with an applicant. Where directed by the other Panel members, they will absent themselves from deliberations on the relevant application to the CLACF. Any conflicted Panel Member will ensure a replacement representative is available so that quorum is met.

### **10. Applicants to seek independent advice**

The receipt of funding from the CLACF may have taxation and legal implications for LAA centres. CLACF recommends that all applicants obtain independent GST, taxation and legal advice in relation to the rights and obligations that may arise as a result of receiving funding from the CLACF.
